**Re: Application for Amendment of Certificate No. 363-W in Marion County, FL
By Sunshine Utilities of Central Florida, Inc.**

To Whom it May Concern:

Due to the difficulties in interpreting the above mentioned application caused by its "improper format", Spruce Creek South Utilities, Inc. objects to the application. As you can see from the attached letter dated April 28th, Spruce Creek requested additional information regarding this application and was told that it would **have** to be renoticed. We were also informed that Richard Redemann would be out of his office for over a month. These factors have contributed to our decision to object to this application until more accurate information regarding the desired territories and their legal descriptions are renoticed.

Respectfully:

Gregory M. Kelly
Development Coordinator

Re: Application for amendment of Certificate No. 363-W in Marion County by Sunshine Utilities of Central Florida, Inc.

Dear Mr. Kelly:

Per your request, enclosed are copies of the orders which have granted, transferred or amended the territory of Sunshine Utilities of Central Florida, Inc., (Sunshine). The orders are: No. 11138, 9-3-82, No. 11680, 3-7-83, No. 14206, 3-21-85, No. 14978, 9-20-85, No. 15296, 10-25-85, No. 17161, 2-6-87, No. 17733, 6-22-87, No. 18081, 9-1-87, No. 20707, 2-6-89, and No. 22239, 11-29-89.

As of Friday, April 25, the Commission had received a copy of Sunshine's notice of territory amendment, but not the actual application. I have confirmed with the Legal Department, that the 30 day protest period begins from the date of the latest notice and not from when the Commission receives the application. However, according to the engineer who will be assigned the docket once the application is received, Richard Redemann, the notice is not in the correct format and will need to be renoticed.

Hope this information is useful. If you have any further questions on Sunshine's territory, you should probably contact Mr. Redemann at (904) 413-6999.

Billy Messer 413-6990 Supv.

Sincerely,
