Re: Windstream Utilities Company; Docket No. 960867-WU
Extension of Service Territory
Our File No. 26067.02

Dear Tom:

As you know, I filed with the Public Service Commission our notice of amendment of our application immediately after the County Commission action to accept the settlement proposal last week. I have also submitted the executed settlement agreement to the Commission as well.

In accordance with the agreement, you were to file on behalf of the County a notice of withdrawal of your objection and support of our modified extension application immediately after the filing of the amendment. As yet, I have received nothing indicating that withdrawal and support has been conveyed to the PSC.

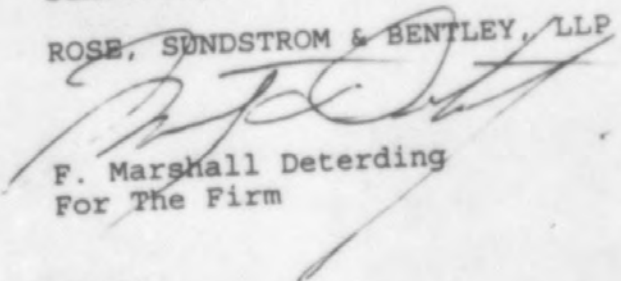

I hereby request that you immediately file such a document even if only in the form of a letter so that we can move forward with finalization of this matter.
