Re: Undocketed: Proposed Rules 25-24.845, etc.

Dear Ms. Bayó:

MCI Telecommunications Corporation (MCI) has received an "Amended Notice of Proposed Rule Development" issued on May 27, 1997 relating to proposed amendments and additions to various rules relating to billing and PIC changes.

MCI would like to have an opportunity for input on the draft rules before they are submitted to the Commission for proposal. MCI therefore requests that the staff hold a rule development workshop on these draft rules.

MCI understands that if this request is granted, the workshop will be held on July 23, 1997.

If you have any questions regarding this request, please call.

Very truly yours,

Richard D. Melson
