Re: Docket No. <sup>961538</sup>~~961358~~-WU -- Complaint of Blue Parrot Oceanfront Cafe against Water Management Services regarding service availability charges assessed.

Dear Ms. Chase:

As you are aware, Water Management Services, Inc., and the Blue Parrot Restaurant resolved the dispute regarding the amount of service availability charges assessed at that service location. We appreciate the parties efforts in reaching a resolution without the need for formal Commission proceedings.

In order to complete our files and allow Staff to close the docket, please submit a copy of the agreement reached between the utility and the restaurant. Please indicate how the charges were broken down by the utility in terms of main extension fee and plant capacity charge. Further, please indicate how much seating capacity these agreed-upon charges include.

Please contact me if you have any questions. Thank you for your attention in this matter.

Sincerely,

Margaret O'Sullivan Parker  
Senior Attorney
