Re: Public Record Request

Dear Ms. Bayo:

Pursuant to the provisions of Chapter 119, Florida Statutes (1995), please make the following public records available for inspection. As used in this letter, the term "public record" and the word "document" should be construed broadly and includes, but is not limited to, memoranda, letters, facsimiles, e-mail, computer files, and all writings.

First, please provide each document in the possession, custody or control of the Commissioners or the staff of the Commission concerning the relationship between Lorna Wagner, who was employed as an attorney at the Commission, and Robert Dolan, an employee of Florida Power Corporation. Please also provide all documents discussing or revealing when or how this relationship first became known to anyone at the Commission, and please provide all documents discussing whether, how, or when to disclose this information to the public or to the parties in any docket in which Florida Power Corporation was a party.

Second, please provide each document in the possession, custody or control of the Commissioners or the staff of the Commission concerning the "notice of conflict of interest" received by the Commission on July 8, 1997, or the related press release issued later in the day by the Commission.
