Re: Docket No. 970432-TL

Dear Ms. Bayo:

Our office would like to continue receiving the Escambia County Payphone Provider Summary compiled by the Florida Department of Revenue. I understand this data is provided by the Florida Public Service Commission. I have found these reports to be a useful tool in enforcing the statutory requirements.

We follow the same requirements as the Florida Department of Revenue, when sharing confidential information.

Thank you for this consideration.

Very truly yours,

Chris Jones, CFA
