VOTE SHEET

JULY 15, 1997

DOCKET NO. 960907-WS - Application for amendment of Certificates Nos. 306-W and 255-S in Charlotte/Lee Counties by Florida Water Services Corporation.

(Continued from previous page)

Issue 2: Should the transfer of the Burnt Store Colony system to Florida Water and amendment of Water Certificate No. 306-W and Wastewater Certificate No. 255-S be approved?

Recommendation: Yes. The transfer should be approved and the amendment should be granted for the additional territory described in Attachment A, of staff's July 10, 1997 memorandum, and in the revised description of the utility's existing territory in Attachment B of staff's memorandum. Florida Water should be required to amend its current service availability policy to address the special circumstances of this case and future similar cases, by filing a revised tariff within 30 days of the date of the order. The waiver of the plant capacity charges for the 45 currently unoccupied lots as specified in the purchase and sale agreement should not be approved.

APPROVED

Tariff will be approved administratively if all parties agree; otherwise matter will be brought back to Commission.

Issue 3: Should the monthly service rates and other charges of Florida Water be applied to the amended territory?

Recommendation: Yes. Florida Water should charge the rates and charges contained in its tariff until authorized to change by this Commission in a subsequent proceeding.

APPROVED

Issue 4: Should this docket be closed?

Recommendation: Yes. This docket should be closed if no timely protest is filed to the proposed agency action portion of Issue 2.
