Tommy, we are opening a docket on this filing from Pat Wiggins. I called Pat for clarification of what is actually being done here, and understand that this is a transfer application. Two questions:

970650

1) He submitted a \$250 filing fee with this transfer. Is a filing fee needed?

If not, you will need to start refund procedures with Fiscal. (I'm copying Mike Lake so he will be aware that a refund may need to be processed.)

2) Is this an appropriate docket title:

Application for transfer of IXC Cert 2929 from WATS/800, Inc. d/b/a ITS to ITS Billing, Inc., ITS Billing, Inc. d/b/a ITS, and ITS Billing d/b/a Fox Fiber Optics. ??

Please let me know ASAP, because this application has been on hand since 7/11. Thanks. Kay

We already have a docket open to change the name of WATS/800, Inc to ITS Billing. I have trying to get Pat to inform us of why the transfer application. If it is a transfer of the certificate a \$250 fee is needed. Further, why don't we use the old docket 970650-TI instead of opening a new one, just change the docket title?

970650 is a name change docket; Pat told me this new filing was a transfer. Should the docket title for 970650 be changed to a transfer?

In that case, please look at the docket title I suggested for the new docket (see earlier part of e-mail) and advise if it is correct. Also advise me if the title for 970650 should be changed to this new title. Thanks.

Not all the names that were used in 970650 are used in this transfer application. Please advise.
