Re: Docket No. 961321-WS -- Application for certificates to provide water and wastewater service in Clay County by Point Water and Sewer, Inc.

Dear Ms. DeFalco:

Pursuant to our conversation of July 17, 1997, attached is a copy of the final draft of your testimony as it was filed in the above-referenced docket. As I told you during our conversation yesterday, the August 1, 1997, hearing in this docket has been cancelled at the parties' request, in order to give them time to attempt to settle their dispute. If the parties do not reach a settlement agreement within the next sixty days, we will schedule a new hearing date.

I will keep you informed as to whether the matter will rescheduled for hearing. Again, thank you very much for agreeing to testify in this matter on behalf of the Commission staff.

If you should have any questions, please feel free to contact me at (850) 413-6224.

Sincerely,

Rosanne G. Capeless
