Dear Charlie:

This confirms our recent telephone conversation during which GTE Florida Incorporated (GTE) expressed its desire to have Docket Nos. 970713-TL and 970631-TL removed from the Commission's agenda conference scheduled for July 15, 1997. GTE agrees that it will not implement its proposed tariff until the Commission addresses these dockets. It is my understanding that you will have the dockets removed from the agenda.

This also confirms our request to meet with you, the Commission Staff and the Office of Public Counsel to discuss our proposed plan. If you have any questions, please feel free to call me.

Sincerely,

Tony
