RE: Docket Nos. 970172-TP, 970173-TP, 970281-TL:
Follow-up Conference Calls to Discuss Payphone Subsidy Calculations

Follow-up conference calls have been scheduled by the Commission's Division of Auditing and Financial Analysis to discuss the calculations of the intrastate payphone subsidies, if any, for the companies listed below. Staff's calculations of each of these company's intrastate subsidies have been sent to the appropriate company prior to the conference call. Any other party who wants a copy of these calculations may request a copy by contacting me at 850/ 413-6204 prior to or after the calls. The purpose of these discussions is in keeping with staff's effort to resolve this matter before the August 7, 1997, hearing and to reach stipulations on the subsidy amount calculations. Feel free to contact me at the phone number listed above if you have any questions.
