BellSouth Telecommunications, Inc.
Docket No. 960786-TL
Staff's Second Set of Interrogatories
May 15, 1997
Item No. 30
Page 1 of 2

REQUEST: Section 271(c)(2)(B)(ii) of the Act requires **nondiscriminatory** access to network elements in accordance with the requirements of sections 251(c)(3) and 252(d)(1). Please define "nondiscriminatory access to network elements" as used in Section 271(c)(2)(B)(ii).

RESPONSE: "Nondiscriminatory access to network elements" is defined in subpart D of part 51 of 47 C.F.R. 51.311. Section 51.311, **Nondiscriminatory access to unbundled network elements**, is defined as follows:

(a) "The quality of an unbundled network element, as well as the quality of the access to the unbundled network element, that an incumbent LEC provides to a requesting telecommunications carrier shall be the same for all telecommunications carriers requesting access to that network element, except as provided in paragraph (c) of this section."

(b) "Except as provided in paragraph (c) of this section, to the extent technically feasible, the quality of an unbundled network element, as well as the quality of the access to such unbundled network element, that an incumbent LEC provides to a requesting telecommunications carrier shall be at least equal in quality to that which the incumbent LEC provides to itself. If an incumbent LEC fails to meet this requirement, the incumbent LEC must prove to the state commission that it is not technically feasible to provide the requested unbundled network element, or to provide access to the requested unbundled network element, at a level of quality that is equal to that which the incumbent LEC provides to itself."

(c) "To the extent technically feasible, the quality of an unbundled network element, as well as the quality of the access to such unbundled network element, that an incumbent LEC provides to a requesting telecommunications carrier shall, upon request, be superior in quality to that which the incumbent LEC provides to itself. If an incumbent LEC fails to meet this requirement, the incumbent LEC must prove to the state commission that it is not technically feasible to provide the requested unbundled network element or access to such unbundled network element at the requested level of quality that is superior to that which the incumbent LEC provides to itself. Nothing in this section prohibits an incumbent "

LEC from providing interconnection that is lesser in quality at the sole request of the requesting telecommunications carrier.

(d) "Previous successful access to an unbundled element at a particular point in a network, using particular facilities, is substantial evidence that access is technically feasible at that point, or at substantially similar points, in networks employing substantially similar facilities. Adherence to the same interface or protocol standards shall constitute evidence of the substantial similarity of network facilities."

(e) "Previous successful provision of access to an unbundled element at a particular point in a network at a particular level of quality is substantial evidence that access is technically feasible at that point, or at substantially similar points, at that level of quality."

The practical application of these rules is spelled out in various paragraphs of the FCC's August 8, 1996 Order in CC Docket No. 96-98. See, for example, paragraph 312, and for application to specific unbundled network elements, such as operational support systems, paragraph 518, which requires that competing carriers should be able to perform specific functions in substantially the same time and manner as BellSouth can for itself.

REQUEST: Has BellSouth received any **requests** for access to unbundled network elements (UNEs) as defined by FCC and FPSC's orders?

- a. If the answer is yes, please list the following information for each entity that has requested access to UNEs.
- (i) the name of the entity who made the request,
 - (ii) each element **requested** by the entity; and
 - (iii) the point of interconnection **requested** by the entity for each element.

RESPONSE: BellSouth has received numerous requests for access to unbundled network elements.

REQUEST: Section 271(c)(2)(B)(viii) and the rules promulgated by the FCC, require BellSouth to provide white page directory listings for customers of other telecommunications carrier's telephone exchange service.

- A. Under the terms of BellSouth's interconnection and resale agreements with ALECs, if an ALEC wants white page directory listings, is that ALEC required to execute an additional agreement with BellSouth's publishing affiliate, BellSouth Advertising & Publishing Corporation, (BAPCO)?

RESPONSE: ALECs are required to execute a separate agreement between the ALEC and BellSouth Advertising & Publishing Corporation (BAPCO). BellSouth agreements provide that BellSouth will arrange for publishing of ALEC subscriber listings in accordance with Section 271(C)(2)(B)(viii). Additional services may be contracted for by ALEC's directly with BAPCO. These include delivery of directories to subscribers, publishing of ALEC information in directory Customer Guide Pages and general directory related support. A copy of BAPCO's standard ALEC agreement is attached as Attachment A. For a detailed description of BellSouth's white page directory listing service, please refer to Volume 8-1 of the 86 Volumes attached to the Direct Testimony of Keith Milner filed in this docket on July 7, 1997.

REQUEST: Section 271(c)(2)(B)(Viii) and the rules promulgated by the FCC, require BellSouth to provide white page directory listings for customers of other telecommunications carrier telephone exchange service.

- B. Has any ALEC with whom you have a signed interconnection or resale agreement executed an agreement between itself and BellSouth's publishing affiliate, BAPCO?
- C. If the answer to B, is affirmative, identify each ALEC that has executed an agreement between itself and BAPCO for the purpose of publishing the ALECs' white page directory listings in BellSouth's telephone directory(ies).
- D. Has any ALEC submitted white page directory listings to BellSouth for inclusion in the appropriate white page directory(ies) of BellSouth?
- E. If the answer to D, is affirmative, identify each ALEC, and the directory(ies) in which its white page directory listings appear (by town or city-).
- F. For each ALEC identified in E, state whether it has also provided updates to the listings submitted to BellSouth, including new, changed, and deleted listings.
- G. For each ALEC identified in E, have you included all the requesting Carriers white page directory listings the appropriate white pages or alphabetical directories? If not, explain why not and -Identify the problems, if any.

RESPONSE: B. Yes. 45 ALECs have executed agreements to date, substantially in the form attached in response to "a" above (See Attachment B).

C. As noted, BAPCO's agreements cover the subjects referenced above and are not "for the purpose of publishing the ALEC's white page directory listings in BellSouth's (sic) telephone directory(ies)." BellSouth's interconnection agreements with the ALECs provide that BellSouth will arrange for publishing of white pages directory listings. Please see Attachment B for the names of ALECs that have signed contracts with BAPCO.

D. Yes. See Attachment B.

E. Please refer to Attachment C for the requested information.

F. Updates and changes are processed along with regular service orders and are not easily discernible. ALEC requests are processed in the same way that BellSouth's customers orders are processed.

G. Yes.

Item 68A

AGREEMENT

In consideration of the mutual promises contained herein, BellSouth Advertising & Publishing Corporation, a Georgia corporation ("BAPCO") and _____, a _____ corporation ("CARRIER") agree as follows:

1. **RECITALS.** BAPCO is the publisher of alphabetical (or White Pages) and classified (or Yellow Pages) directories for certain communities in the southeastern region of the U.S (the "Directories"). CARRIER provides, or intends to provide, local exchange telephone service in communities in which BAPCO publishes Directories. BAPCO and CARRIER hereby establish the terms by which BAPCO will include listings of CARRIER subscribers in such Directories and by which BAPCO will provide such Directories to CARRIER subscribers.

2. **CARRIER OBLIGATIONS.** CARRIER agrees as follows:

(a) CARRIER shall provide to BAPCO, or its designee, at CARRIER's expense and at no charge, listing information concerning its subscribers (designating any who do not desire published listings), consisting of customer name, address, telephone number and all other information reasonably requested by BAPCO as set forth on Exhibit A in a mutually acceptable format for use by BAPCO or its affiliates in publishing Directories of whatever type and format and for other derivative purposes. Such subscriber listing information shall be provided in the format and on the schedule set forth in said Exhibit, or as otherwise mutually agreed between the parties from time to time.

(b) CARRIER shall also provide directory delivery information to BAPCO as set forth in Exhibit A for all subscribers.

(c) CARRIER shall advise BAPCO promptly of any directory-related inquiries, requests or complaints which it may receive from CARRIER subscribers and shall provide reasonable cooperation to BAPCO in response to or resolution of the same.

(d) CARRIER shall respond promptly regarding corrections or queries raised by BAPCO to process listing changes requested by subscribers.

3. **BAPCO OBLIGATIONS.** BAPCO agrees as follows:

(a) BAPCO shall include one standard listing for each CARRIER subscriber per hunting group in BAPCO's appropriate local alphabetical Directory as published periodically by BAPCO unless nonlisted or nonpublished status is designated by subscribers. Such listings shall be interfiled with the listings of other local exchange telephone company subscribers and otherwise published in the manner of such other

listings according to BAPCO's generally applicable publishing policies and standards. BAPCO shall provide a process whereby CARRIER is afforded a reasonable opportunity to review and correct its subscribers' alphabetical listings in advance of publication.

(b) Provided CARRIER establishes appropriate resale arrangements with BellSouth Telecommunications, Inc. ("BellSouth"), BAPCO shall publish additional listings, foreign listings and other alphabetical Directory listings offered by BellSouth, for CARRIER subscribers upon their request consistent with BAPCO's generally applicable policies in BAPCO's alphabetical Directories.

(c) BAPCO will distribute its regularly published alphabetical and classified Directories to local CARRIER subscribers at no charge to CARRIER or CARRIER's subscribers in accordance with BAPCO's prevailing practices, including delivery following Directory publication and upon establishment of new CARRIER service, if a current Directory for that geographic area has not previously been provided. Such deliveries may include separate advertising materials accompanying the Directories.

(d) BAPCO will include CARRIER information in the customer guide pages of its alphabetical Directories for communities where CARRIER provides local exchange telephone service at the time of publication in accordance with BAPCO's prevailing standards for the same. CARRIER will provide information requested by BAPCO for such purpose on a timely basis.

(e) BAPCO shall make available at no charge to CARRIER or its subscribers one listing for CARRIER business customers per hunting group in one appropriate heading in BAPCO's appropriate local classified directory as published periodically by BAPCO. Such listings shall be published according to BAPCO's generally applicable publishing policies and standards.

(f) BAPCO agrees to solicit, accept and publish directory advertising from business subscribers for CARRIER in communities for which BAPCO publishes classified Directories in the same manner and upon substantially the same terms as it solicits, accepts and publishes advertising from advertisers who are not CARRIER subscribers.

(g) BAPCO will not provide information obtained from CARRIER concerning its subscribers to other local exchange telephone service providers without CARRIER approval, except as may be required in relation to publishing of Directories or as may be permitted by CARRIER for directory assistance or other purposes.

(h) BAPCO and CARRIER acknowledge that mutual cooperation will be required to successfully serve the needs of their common customers and therefore agree to use reasonable efforts to provide such cooperation to achieve the highest quality of service for both parties' customers.

4. PUBLISHING POLICIES. BAPCO shall maintain full authority over its publishing schedules, policies, standards, and practices and over the scope and publishing schedules of its Directories. BAPCO shall periodically provide CARRIER with changes by BAPCO in the same which in BAPCO's judgment affect CARRIER's conduct in BAPCO's publishing of listings for CARRIER's subscribers. Such policy updates shall include, without limitation, the subjects described in Exhibit B.

5. LIABILITY AND INDEMNITY.

(a) BAPCO's liability to CARRIER for any errors or omissions in directories or for any default otherwise arising hereunder shall be limited to One Dollar (\$1) for errors or omissions in any subscriber listing in any directory published by BAPCO.

(b) Each party agrees to defend, indemnify and hold harmless the other from all damages, claims, suits, losses or expenses, including without limitation costs and attorneys fees, to the extent of such party's relative fault, arising out of or resulting from any error, omission or act of such party hereunder. CARRIER agrees to limit its liability and that of BAPCO by contract with CARRIER's subscribers or by tariff to no more than the cost of service for any errors or omissions in any listings published hereunder for CARRIER subscribers. Each party shall notify in writing the other promptly of any claimed error or omission affecting this paragraph and of any claim or suit arising hereunder or relating to this Agreement and shall provide reasonable and timely cooperation in its resolution of the same. Without waiver of any rights hereunder, the indemnified party may at its expense undertake its own defense in any such claim or suit.

6. TERM. This Agreement shall be effective on the date of the last signature hereto for a term of four (4) years and shall relate to Directories published by BAPCO during such period. Thereafter, it shall continue in effect unless terminated by either party upon sixty days prior written notice.

7. ASSIGNMENT. This Agreement shall be binding upon any successors or assigns of the parties during its Term.

8. RELATIONSHIP OF THE PARTIES. This Agreement does not create any joint venture, partnership or employment relationship between the parties or their employees, and the relationship between the parties shall be that of an independent contractor. There shall be no intended third party beneficiaries to this Agreement.

9. NONDISCLOSURE.

(a) During the term of this Agreement it may be necessary for the parties to provide each other with certain information ("Information") considered to be private or proprietary. The recipient shall protect such Information from distribution, disclosure or dissemination to anyone except its employees or contractors with a need to know such Information in conjunction herewith, except as otherwise authorized in writing. All such Information shall be in writing or other tangible form and clearly marked with a

confidential or proprietary legend. Information conveyed orally shall be designated as proprietary or confidential at the time of such oral conveyance and shall be reduced to writing within forty-five (45) days.

(b) The parties will not have an obligation to protect any portion of Information which: (1) is made publicly available lawfully by a nonparty to this Agreement; (2) is lawfully obtained from any source other than the providing party; (3) is previously known without an obligation to keep it confidential; (4) is released by the providing party in writing; or (5) commencing two (2) years after the termination date of this Agreement if such Information is not a trade secret under applicable law.

(c) Each party will make copies of the Information only as necessary for its use under the terms hereof, and each such copy will be marked with the same proprietary notices as appear on the originals. Each party agrees to use the Information solely in support of this Agreement and for no other purpose.

10. FORCE MAJEURE. Neither party shall be responsible to the other for any delay or failure to perform hereunder to the extent caused by fire, flood, explosion, war, strike, riot, embargo, governmental requirements, civic or military authority, act of God, or other similar cause beyond its reasonable control. Each party shall use best efforts to notify the other promptly of any such delay or failure and shall provide reasonable cooperation to ameliorate the effects thereof.

11. PUBLICITY. Neither party shall disclose the terms of this Agreement nor use the trade names or trademarks of the other without the prior express written consent of the other.

12. REPRESENTATIVES AND NOTICES.

(a) Each party shall name one or more representatives for contacts between the parties which shall be authorized to act on its behalf. Such representatives may be changed from time to time upon written notice to the other party.

(b) Notices required by law or under this Agreement shall be given in writing by hand delivery, certified or registered mail, or by facsimile followed by certified or registered mail, addressed to the named representatives of the parties with copies to:

BAPCO Deliverables *

Abbreviations Table

BAPCO will provide copy of the standard abbreviations utilized for given names, titles of address, titles of lineage, military titles, degrees and professional affiliations standards. This information can be used to assist in effectively processing various listed name requests.

Central Office Table

BAPCO will provide two versions of what is called the ABC table. Version 1 of this report identifies by NPA and in sequence by central office the directory in which a customer is entitled to appear. Version 2 of this report reflects the directory name and all central offices appearing within that directory.

Coverage Maps

BAPCO will provide a coverage map for its major directories identifying broadly the geographic area served by the major directory. These maps will be provided only for the major directories in the area served by the carrier.

Customer Guide Pages Appearance Procedures

BAPCO will provide free listing appearance under the areas of Establishing Service, Billing and Repair in the Customer Guide Section of the White Pages for directories where a carrier operates. These procedures identify how to get your listing to appear and procedures for purchasing LEC specific pages.

Foreign Directory Name Table

BAPCO will provide all foreign directory names to be used in the processing of foreign listing requests. This field is a required element in the establishment of foreign listings.

Listing Guidelines

BAPCO will provide an example of the most common listing elements and their entitlement to appearance in the White and Yellow Pages.

Listing Standards and Regulations

BAPCO will provide a condensed version of listing specifications reflecting the rules and regulations regarding listing appearance in both the White and Yellow Pages.

Publication Schedules

BAPCO will provide to all carriers the publication schedules for all directories within the area served by the carrier. This schedule will include the name of the directory, the directory bolt code, the business office close date and the issue date. The business office close date represents the last day to receive activity for appearance in the subsequent directory. This date also represents the close date for advertising activity into the Yellow Pages.

The issue date represents the mid-point of delivery of the new directory and the date at which new directory billing will begin for the directory being delivered. The length of the delivery period will vary depending upon the size of directory.

Yellow Pages Headings

BAPCO will provide the Yellow Pages Heading file which will include all Yellow Pages headings allowed by BAPCO, the Yellow Pages heading code and the associated SIC code. This material would be utilized to assist the business customer in identifying where they would like representation in BAPCO's classified Yellow Pages directories.

* Information will be provided on disk in standard Microsoft Word format or via Internet download

- REQUEST:
- A. Has any ALEC requested BellSouth to deliver any of its directories to ALEC subscribers pursuant to the terms and conditions of a signed interconnection or resale agreement?
 - B. If the answer to A. is affirmative, identify each ALEC that has requested BellSouth to deliver directories to the ALEC's subscribers, and state for each ALEC whether directories have been delivered to its customers.
 - C. Does BellSouth charge any Carrier's ALEC subscribers for receiving a directory? If so, identify the Carrier(s) for which an ALEC's subscribers are charged, and state the amount of the charge.

RESPONSE: A. Yes.

B. Yes, directories are delivered to all customers listed in the directory. Please see BellSouth's response to Item 68C Attachment B.

C. No.

INFORMATION PROVIDED BY:

Bob Scheye
BellSouth Telecommunications, Inc.
675 West Peachtree Street
Atlanta, GA 30375

- REQUEST:
- A. Has BellSouth agreed to the lead time, timeliness, format, and content of listing information for each ALEC with whom BellSouth has a white page directory listing service agreement?
 - B. If the answer to A, is affirmative, define the lead time, timeliness, format, and content of listing information for each ALEC with whom BellSouth has a signed interconnection or resale agreement.
 - C. If the answer to (a) is not affirmative, for each ALEC where this is the case, explain why not and identify the problems, if any.

- RESPONSE:
- A. BellSouth has arranged through BAPCO for publishing of ALEC subscriber listings according to the same standards as BellSouth's subscribers. This includes lead time, timeliness, format and content of listings.
 - B. For the required lead time please refer to Attachment A. For the format and content of required information, please refer to the BellSouth Local Exchange Ordering Guide (LEO) Section- Local Service Request at Tab - Directory Listings Service Information (Please see BellSouth's response to Staff's 1st Request for Documents Item 1 filed July 28, 1997) and the BellSouth Local Exchange Ordering Guide at Tab 10 for Directory Listings Service Information (Attached to Robert C. Scheye's Direct Testimony filed on July 7, 1997) Also see Attachment B.

REMARKS

DIRECTORY LISTING REQUEST FORM

This directory listing form is designed to use when the service request pertains only to the directory listing.

Page ____ of ____

Competitive Local Exchange Company

Date: The date the CLEC submits the Directory Listing Request to the LCSC.

PON: The CLEC Purchase Order Number. This number may be up to thirteen (13) alphanumeric characters.

VER: The CLEC Version Identification can be used to indicate a supplement to an existing purchase order number. In the initial transmission this field should be left blank. The next subsequent order should have 'A', the next subsequent order should have 'B', etc.

RPON: A Related Purchase Order Number designates that coordination is required between purchase orders to complete the requested activity. This number may be up to thirteen (13) alpha numeric characters.

Company/OCN: The Company Name and 'Operating Company Number' for the CLEC submitting the Directory Listing Request.

FAX #: The fax number for receipt of the Firm Order Confirmation .

Issued By: The name of the person completing the Directory Listing Request who is responsible for order coordination and related questions.

Telephone Number: The telephone number of the person issuing the Directory Listing Request.

Remarks: Available for the issuer to provide any additional information that would assist in order processing.

Directory Listing Request

End User

End User Name: The name currently listed (or the desired listing) for the account.

End User Service Address: The address where the service is (or is to be) provided. The city, state and ZIP code should be included.

Main Account Number: The end user main account telephone number.

Listing Request

Check the appropriate block(s) to indicate what type of listing request is being submitted.

New Account - End user does not currently have any local service.

Disconnect Account - The end user currently has only directory listing service provided by BellSouth. This option will disconnect the listing.

Add to Current Account - Add a listing(s) to an existing CLEC account.

Delete from Current Account - Delete a listing(s) from an existing CLEC account.

Change Listing - Change the directory listing on an existing CLEC account.

Correct Listing - Correct an listing and/or telephone number on an existing CLEC account.

5605/3235 - Sales representatives occasionally have requests from end users relating to directory listings during discussions about Yellow Pages advertising. A record of the request will be sent from the sales representative to the appropriate local service provider using one of two forms. Check the box to indicate you are submitting the request as a result of receiving one of these forms. Enter the specific form number in the Listing Remarks space.

5605 - BAPCO Advertising and Publishing Copr. is submitting the form.

3235 - Yellow Pages National Sales is submitting the form.

Query # - From time to time, BAPCO may have questions about a listing after it is released from LCSC. BAPCO uses a Query # to identify the listing they are investigating. If the CLEC is submitting a new or revised directory listing as a result of receiving a BAPCO Query from LCSC, this box should be checked and the query number entered.

Type Listing

Select the appropriate designation for the account number. Designate whether the directory listing is Business, Residence, City Government, County Government, State Government, U. S. Government, Residence to Business (the end user is changing from a residence account to a business account), or Business to Residence (the end user is changing from a business account to a residence account).

Directory Listing Request

Dual Name Listing - List Both Ways?: Check the appropriate box, Yes or No, to indicate whether a dual name listing should be listed both ways.

For example: John and Mary Smith
Mary and John Smith

Designer Listings: Residential end users may order directory designer listings as shown below. Designer listings are not available for business listings. Designer listings can only be selected when this form is being used to submit a residential listing request.

BOLD - Name, Address & Telephone Number appear in bold type. **Johnson Anthony**
437 Acres Dr.....555-0699

BOLD PLUS - Name, Address & Telephone Number appear in bold type plus ruled lines above and below the listing. **Johnson Anthony**

Advance Listing - If the end user service will be effective after Business Office Close (BOC - relating to the closing of directory books) but they have an urgent need to appear in the directory, check this box. There is a limited window (a few days) after BOC when listings can be "advanced" to the book.

Listing Remarks - Use provide an additional explanation of the listing request.

Omit from Customer Lists - Although rare, end users may ask to have their listing excluded from Listing Products. Checking this block will prevent an end user's listing from being extracted.

Directory Listing Request

Firm Order Confirmation

This portion of the Directory Listing Request will be used by BellSouth LCSC to confirm that the requested order has been processed.

Date Prepared - The date work on the listing is completed in the LCSC.

BellSouth Service Representative - The name of the BellSouth Local Carrier Service Center (LCSC) employee who is responsible for processing the order.

Telephone # - The telephone number of the BellSouth Representative.

Remarks - Available for the BellSouth Service Representative to provide any additional information required.

Blg Account - Each CLEC will have a series of unique billing account numbers assigned which identify the CLEC and are associated with the appropriate Revenue Accounting Office (RAO) for end user telephone numbers. The account number which will be billed any appropriate charges will be entered here.

Miscellaneous Account Number Assigned - This account code will be assigned by the LCSC with the initial order placed for an end user. It will be required to identify the correct account on any subsequent orders.

BellSouth Order Number - The BellSouth system order number. This number will be required for tracing the request should there be a need for subsequent activity. There is space for two (2) order numbers if necessary.

Directory Listing Request

Directory Delivery Address

Provide address information here only if delivery is requested at an address which is different from the service address provided on this form or on the End User Form. The end user will automatically receive both a white and yellow page directory for their service address.

Directory Name

Enter the name of the directory to be distributed to this end user. Directory names and codes, as well as key dates, will be provided by BAPCO.

Number of Directories Requested Now

If the end user requests a directory at the time of the Local Service Request, enter the number here. If no number is shown here, the end user will be placed on the normal annual delivery schedule. No directory will be delivered in connection with this order.

Number of Directories Requested for Annual Delivery

Residential end users are entitled to one to three (1-3) directories per account. Business end users are entitled to one (1) directory per access line. Additional directories may be negotiated.

If the end user requests additional or replacement local directories, they may be ordered through the Directory Listing Request process using the "Directory Listing Request" form. If the end user prefers to place the order, refer the customer to 1-800-422-1955. There are no charges for additional or replacement local service directories.

For directories outside of the end user local service area (foreign directories), refer the customer to 1-800-682-4000. A charge will apply for foreign directories. The charge will be billed directly to the end user by BAPCO.

Directory Listing Request

Listing Information

(1) **Listing Order** - This column will be used to show the end user desired sequence for this caption listing. An Alpha will equal the first (main) listing - i.e., 'A' would be the first listing an end user wants listed. The numbers refer to the sequence of the listings to follow the main listing.

Example: A1 Smith Hardware Stores, Inc.

A2 Branch Stores

If the listing is a 'straight line' listing, with only one line of customer information (name, street address, city and number), no entry is required in this section.

(2) **Caption Indent Level** - This refers to the amount of indention.

- 0 = Left Hand Justification (No Indent)
- 1 = 1 Level of Indent (1 Space to the Right)
- 2 = 2 Levels of Indent (2 Spaces to the Right)
- 3 = 3 Levels of Indent (3 Spaces to the Right)

Example:

A1	Level 0	Smith Hardware Stores, Inc.
A2	Level 1	Branch Stores
A3	Level 2	1416 Main Street.....111-1111
A4	Level 2	182 Broxton Dr.....222-2222
A5	Level 1	Billing.....333-3333
A6	Level 1	Home Delivery.....444-4444

If the listing is a 'straight line' listing, with only one line of customer information (name, street address, city and number), no entry is required in this section.

- (3) **Listed Name** - This section is used to show the listing EXACTLY as the end user desires for it to appear in the directory. When changing an established listing, provide the complete listing (caption) to insure the listing will be changed according to the end user request.
- (4) **Listed Address** - Use this section to enter the listed address if the end user desires a listing different from that provided in the 'End User' section of this form. If the address should be omitted from the directory listing, enter NONE.
- (5) **Telephone Number** - List the end user numbers as appropriate to associate them with the correct lines on the end user listing.

Directory Listing Request

Listing Information (continued)

- (6) L, NL or NP - Enter the abbreviation here for the type listing desired by the end user. The designation may be different for different numbers in the caption listing.

Listed - The Listed name is in the printed directory and in directory assistance operator records. One listing is provided without charge for each non-hunting telephone number.

Non-Listed - The listing does not appear in the printed directory but is available through directory assistance.

Non-Published - The listing is not in the printed directory and is not available through directory assistance.

- (7) **Yellow Page Heading Code** - For business lines, one listing in the Yellow Pages is available at no charge for each end user 'account'. The listing may be placed in the Yellow Pages under an approved heading that is appropriate for the business (i.e., Restaurants, Beauty Salons, etc.). Requests for business listings under more than one heading are considered directory advertising, and must be negotiated by the end user with a BellSouth Advertising and Publishing Sales Representative. A Yellow Page Heading Code consists of seven (7) alpha/numeric characters. A complete list of Yellow Page Heading Codes can be requested from BAPCO (see Directory Section of this guide).

- (8) **SIC** - The SIC (Standard Industry Code) should be provided. A SIC code is a four (4) character numeric code. These codes are associated with specific Yellow Page Heading Codes and are provided by BAPCO.

A SIC manual is also published by the United States Office of Management and Budget and may be purchased through NTIS.

National Technical Information Service
5285 Port Royal Road
Springfield, Virginia 22161
703-487-4650

- (9) **Foreign/Secondary Directory Name** - The listing will be entered in the appropriate directory based on the main account telephone number. If the end user desires the listing to appear in additional directories (or a different directory), enter the community name for the directory (ies). There is a charge for foreign listings.

The name of the directory should be shown preceded by (F) for Foreign or (S) for Secondary.

LOCAL EXCHANGE ORDERING IMPLEMENTATION GUIDE DIRECTORY LISTINGS SERVICE INFORMATION

2.0 GENERAL

- 2.1 This guide describes the Directory Listings/Services Information containing details necessary for the provisioning of the service request. The Directory Listings/Services information is always transmitted in conjunction with an LSR and End User Information.
- 2.2 This document is issued to provide current definitions as used by BellSouth Telecommunications in providing service.

3.0 DIRECTORY LISTINGS/SERVICES DESCRIPTION

- 3.1 All directory listings/service details are provided in the various fields contained within this section.
- 3.2 LEO guidelines incorporate the following requirements for the population of form entries.
- Conditional (C) is defined as the field is dependent upon the relationship to another entry as specified in the usage statement and is dependent upon the presence, absence or combination of other data entries.
 - Not applicable (N) is defined as the field is not applicable. The fields may not apply at this time for the services referenced. This convention appears for those field to be used by BellSouth in future Phases.
 - Optional (O) is defined as the field may or may not be populated.
 - Prohibited (P) is defined as the field may never be populated.
 - Required (R) is defined as the field must be populated.
 - Alpha/Numeric field is designed to describe the type of valid entries. If a numeric field is prohibited it should be left blank.

BellSouth Telecommunications, Inc.
Docket No. 960786-TL
Staff's Third Set of Interrogatories
May 29, 1997
Item No. 80 Revised 06/25/97
Page 1 of 1

REQUEST: How does BellSouth handle non-published telephone numbers for ALECS?

RESPONSE: BellSouth handles non-published numbers for ALEC customers and ALEC end-users in exactly the same way as they are handled for BellSouth Telecommunications' end-users. Non-published listings in the Directory Assistance database are followed by a Non-published Indicator. The End user number is never given out. In addition, non-published listings are not available to BellSouth customers who purchases BellSouth directory database products including Directory Assistance Database Service (DADS).

INFORMATION PROVIDED BY: Bob Scheye
BellSouth Corporation

REQUEST: Section 271(c)(2)(B)(xi) requires that until the date by which the commission issues regulations pursuant to Section 251 to require number portability interim telecommunications number portability through remote call forwarding, direct inward dialing trunks, or other comparable arrangements, be provided with as little impairment of functioning, quality, reliability, and convenience as possible. Has any telecommunications carrier, as defined by the Act, requested Bellsouth to provide number portability pursuant to Section 271(c)(2)(B)(xi)? If so, provide the following information.

- A. The name of each telecommunications carrier that has requested BellSouth to provide number portability.
- B. The type of number portability measures that BellSouth has used to provide service provider number portability.
- C. The rate BellSouth has charged each telecommunications carrier for the service listed in a; and
- D. Any conditions or limitations that BellSouth has imposed on the services identified in A and B.

RESPONSE: A. The following carriers have requested BellSouth to provide number portability:
Alternet
ICI
MCI
TCG
Nextlink
Sprint
Alliance Data Systems
Time Warner (has existing agreement but, to date, has not requested provision of number portability)

B. The type of number portability measure that BellSouth uses to provide service provider number portability is called SPNP-RCF

(Service Provider Number Portability-Remote Call Forwarding).

- C. The rate BellSouth charges a telecommunications carrier for the service listed in a is contained in its negotiated agreements with BellSouth, unless that carrier seeks to utilize Section 252(i) of the Act. In such a case the rates are as contained in BellSouth's tariff per the Florida PSC's Order in Docket No. 950737-TP.
- D. Service provider portability only, not location portability. The ALEC is not allowed to physically move the customer out of their present BellSouth rate center.
