**Re: NAME CHANGE, CHIEF OFFICER CHANGE, ASSET SALE OF CELLULAR WORLD,
INC. IXC/AOS OPERATIONS**
Certificate # 3584, dated September 21, 1994
Docket #940099TI, Order Number PSC-94-1059-FOF-TC

Dear Ms. Bayo:

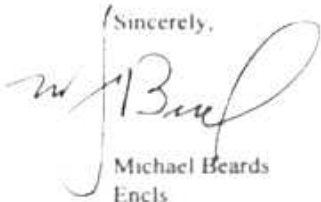

Please be advised that I am the president of ECS Enhanced Cellular Services Network, USA, a Florida corporation. On July 15th of 1997, we acquired the assets of Cellular World, Inc. We will continue to operate as an IXC/AOS company in Florida, and will be expanding both our telecommunication services, and terminal manufacturing at a new facility in Miami.

Our PUC contact will be Mr. Leon Paul Kass. He can be reached at his Tampa office at (813) 620-4270, and his fax number is (813) 620-4285.

As per the conversation between Mr. Kass's and Tom Williams, I have attached the transfer form with Mr Seiderman's original signature (former owner of Cellular World). I have also enclosed two copies of our Certificate of Good Standing from the Secretary of States office and six copies of our tariff, which is a mirror copy of the first amended tariff of Cellular World, Inc. of 1994

If you have further questions regarding this transfer, please contact Mr. Kass directly.

Sincerely,

Michael Beards

Re CERTIFICATE OF GOOD STANDING, ECS, ENHANCED CELLULAR SYSTEMS,
NETWORK, USA

Dear Ms Bayo

Please be advised that we did order the Certificates of Good Standing from the Florida Secretary of States office, on July 16th, and to this day have yet to receive them back

In conversation with that office, I was told that they have not processed our request yet, but I should be seeing the certificates by this weekend, August 1 - 4. I will forward the certificates to you as soon as I receive them. If you have any further questions, please feel free to contact me at any time at my Tampa, Florida office, at 813-620-4270

Sincerely yours,

A handwritten signature in cursive script, appearing to read 'Leon Paul Kass', is written over a horizontal line.

Leon Paul Kass

SYMBOLS

The following symbols will be used in any proposed change to this tariff:

- D Delete or Discontinue
- I Change Resulting In An Increase to A Customer's Bill
- M Moved From Another Tariff Location
- N New
- R Change Resulting In A Reduction to A Customer's Bill
- T Change In Text or Regulation but No Change In Rate or Charge

When changes are made in any Tariff sheet, a revised sheet will be issued cancelling the tariff sheet affected. Changes will be identified on the revised sheet(s) through the use of the above mentioned symbols.

Issued: JULY, 1997

Effective : _____

Michael Beards , President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

TARIFF FORMAT

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the FPSC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc. the FPSC follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff page in effect. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).(1).
- D. Check Sheets - When a tariff filing is made with the FPSC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the FPSC.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

1.2 Definitions

Access Line - An arrangement which connects the Customer's location to ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s network switching center.

Authorization Code - a numerical code, one or more of which are available to a Customer to enable him/her to access the Carrier, and which are used by the Carrier both to prevent unauthorized access to its facilities and to identify the Customer for billing purposes.

Authorized User - A person, firm or company, or any other entity authorized by the Customer or Subscriber to communicate utilizing Carrier service or facilities.

Calling Card - A billing convenience whereby the End User or Customer may bill the charges for a call to an approved telephone company issued calling card. The terms and conditions of the local telephone company will apply to payment arrangements.

Cellular Airtime - The radio transmission of a telephone call that is carried via the airwaves by an authorized cellular telephone service provider for a per minute fee.

Cellular Service - Mobile telephone service that uses a radio transceiver for transmission of the telephone conversation. The two way radio equipment can go from the user to a landline telephone, or from a cellular to a cellular, or from a landline to a cellular.

Collect Billing - A billing arrangement whereby the originating caller may bill the charges for a call to the called party, providing the called party agrees to accept the charges.

Company or Carrier - ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

1.2 Definitions (cont'd.)

Credit Card - A billing convenience whereby the End User or Customer may bill the charges for a call to an approved bank issued card, VISA, MasterCard, Eurocard, or Japan Credit Bank (JCB), or a Travel and Entertainment card issued by American Express, Carte Blanche/Diners Club, or Discover. The terms and conditions of the bank or travel and entertainment company will apply to payment arrangements.

Customer - The person, firm, corporation or other entity which orders service and is responsible for payment of charges due and compliance with the Company's tariff regulations.

Customer Dialed Calling Card or Credit Card Call - A service whereby the End User dials all of the digits necessary to route and bill the call without any operator assistance. The credit card information is normally scanned by the credit card reader, and that information is normally sent electronically, without intervention by the Customer, and without the ability of the Customer to alter the data manually.

Customer's Premises Equipment - Terminal equipment, as defined herein, which is located on the Customer's premises.

Day - From 8:00 AM up to but not including 5:00 PM local time Monday through Friday.

Debit Card - This is an identification device that allows the owner to access a monetary account and remove funds to pay for a service.

Dedicated Access Service - An arrangement whereby the Customer accesses the terminal location of Carrier via dedicated facilities between the Customer's premises and the terminal location of Carrier (or a Specialized Common Carrier from whom the Carrier has acquired service).

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President

Miami, FL 33176

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

1.2 Definitions (cont'd.)

Dialed Access - An arrangement whereby a Customer uses the public switched network facilities of a local exchange telephone company to access the terminal of the Carrier.

Direct Access - An arrangement whereby a Customer uses facilities other than the public switched network facilities of a local exchange telephone company to access the terminal of the Carrier.

Evening - From 5:00 PM up to but not including 11:00 PM local time Sunday through Friday.

Holidays - ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s recognized holidays are New Year's Day, Martin Luther King, Jr. Day, President's Day, Ground Hog Day, St. Patrick's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, Christmas Day.

Local Access Transport Area (LATA) - A geographic area established pursuant to the AT&T/Bell System Plan of Reorganization developed under the Modified Final Judgment that defines the boundaries for provision and administration of services as between Bell operating companies, AT&T and other interexchange carriers.

Local Exchange Carrier (LEC) - A telephone company which furnishes local exchange services.

Message Telecommunications Service (MTS) - A measured, duration and distance sensitive switched access service.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

1.2 Definitions (cont'd.)

Mobile Telephone - A public accessed calling device that is normally associated with a battery or solar powered device that may be portable, or used within any type of transportation that can use a credit card, pre pay card, debit card or other types of payment approved by the Company to complete a call. The calling device uses the radio spectrum, either trunked radio, satellite, or cellular service, to carry the call origination to the local telephone network, which routes the call to the Company switch.

Night/Weekend - From 11:00 PM up to but not including 8:00 AM Sunday through Friday, and 8:AM Saturday up to but not including 5:00 PM Sunday.

Operator - Station Call - A service whereby the Customer/End User places a non-Person-to-Person call with the assistance of an operator (live or automated).

Person-to-Person Call - A service whereby the person originating the call specifies a particular person to be reached, or a particular station, room number, department, or office to be reached through a PBX attendant.

Premises - The space designated by a Customer as its place or places of business for provision of service, whether for its own communication needs or for its Authorized Users.

Pre-paid Card - A magnetically encoded plastic card which has a value placed electronically into the card. When used in a matching device, a specific value is removed from the card normally on a per minute basis for the service rendered. This pre-valued card is normally purchased from a vendor for the face value of the card.

Private Pay Phone - A telephone instrument provided and owned by an entity other than a local exchange carrier, LEC, which is equipped with any type of a device that allows a charge to be made for each call.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

1.2 Definitions (cont'd.)

Subscriber - The person, firm, corporation, or other legal entity, which arranges for services of the Company on behalf of transient third party End Users. The Subscriber is responsible for compliance with the terms and conditions of this tariff. A Subscriber may also be a Customer when the Subscriber uses the services of the Company.

Switched Access - Where access between the Customer and the Interexchange Carrier is provided on local exchange company Feature Group circuits or 1-800 service. The cost of Switched Feature Group Access is billed to the interexchange carrier.

Terminal Equipment - Devices, apparatus, and associated wiring, such as teleprinters, telephones, or data sets.

Third Party Billing - A billing arrangement by which the charges for a call may be billed to a telephone number that is different from the calling number and the called number.

V & H Coordinates - Geographic points which define the originating and terminating points of a call in mathematical terms so that the airline mileage of the call may be determined. Call mileage is used for the purpose of rating calls.

Wireless Assistance Phone - A calling device that uses the radio spectrum, either trunked radio, cellular service, or satellite service, to carry the call origination to the local Telco network, where the service request is routed to the Company. All calls from this service are rendered free to the End User. All calls terminate at the live operator at the Company (ECS). The Company contracts to provide this live service with the owner, or authorized agent, of these devices to provide these services on a per answered call basis. Calls made on this equipment cannot be switched to the phone network for termination.

SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

1.2 Definitions (cont'd.)

Wireless Public Convenience Phone - A public accessed calling device, located in remote places that may not be available to wireline services via normal available routes for any reason. The calling device requires either a calling or credit card acceptable to the Company or a pre-payment card acceptable to the Company for usage. The device uses the radio systems, either trunked radio, cellular, or satellite service to carry the call origination to the local telco network.

Wireless Public Telephone - A public accessed calling device that accepts coins, credit cards, and/or prepay or other types of payment approved by the Company to complete a call. The calling device uses the radio spectrum, either trunked radio, satellite, or cellular service, to carry the call origination to the local telephone network, which routes the call to the Company switch.

SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.

ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. services and facilities are furnished for communications originating at specified points within the state of Florida under terms of this Tariff.

ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. installs, operates, and maintains the communication services provided hereinunder in accordance with the terms and conditions set forth under this Tariff. ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. is a resale common carrier providing automated and live operator assisted telecommunication services to customers within the state of Florida.

The Company's services and facilities are provided and available twenty-four hours per day, seven days per week.

2.2 Limitations

2.2.1 Service is offered subject to the availability of facilities and the provisions of this Tariff.

2.2.2 ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. reserves the right to discontinue furnishing service upon written notice, or limit the use of service when necessitated by conditions beyond its control; or when the Customer is using the service in violation of the law or the provisions of this Tariff.

2.2.3 All facilities provided under this Tariff are directly controlled by ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. and the customer may not transfer or assign the use of service or facilities, except with the express written consent of the Company.

2.2.4 This tariff is applicable to telecommunications services provided by ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. within the state of Florida.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 2 - RULES AND REGULATIONS

2.2 Limitations (Cont.)

2.2.5 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this Tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service.

2.2.6 The Company does not undertake to transmit messages, but offers the use of its facilities when available and will not be liable for errors in transmission or failure to establish connections.

2.3 Payment and Credit Regulations

2.3.1 Payment Arrangements

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer for transmission of calls via the Company. The Customer agrees to pay to the Company any cost(s) incurred as a result of any delegation of authority resulting in the use of his or her communications equipment and/or network services which result in the placement of calls via the Company. The Customer agrees to pay the Company or its authorized agent any and all cost(s) incurred as a result of the use of the service arrangement, including calls which the Customer did not individually authorize.

All charges due by the Customer are payable to any agency duly authorized to receive such payments. The billing agency may be a local exchange telephone company, credit card company, or other billing service. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies, such as the Florida PSC. Any objections to billed charges must be promptly reported to the Company or its billing agent.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211

SECTION 2 - RULES AND REGULATIONS

2.3 Payment and Credit Regulations (cont'd.)

2.3.1 Payment Arrangements (cont'd.)

Adjustments to Customer's bills shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.

Charges for installations, service connections, moves and rearrangements, where applicable, are payable upon demand by the Company or its authorized agent. The billing thereafter will include recurring charges and actual usage as defined in this tariff.

2.3.2 Deposits

The Company does not require a deposit from the Customer or Subscriber.

2.3.3 Advance Payments

The Company does not require any advanced payments from the Customers using its service.

2.3.4 Taxes

Company reserves the right to bill any and all applicable taxes in addition to normal usage charges, including, but not limited to: Federal Excise Tax, State Sales Tax, Municipal Taxes, and Gross Receipts Tax. Such taxes may or may not be itemized separately on the customer's invoice depending upon the billing company rendering the customer's bill.

13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 2 - RULES AND REGULATIONS

2.3 Payment and Credit Regulations (cont'd.)

2.3.5 Disputed Payments

The Company will provide credit on charges disputed by Customer in writing that are verified as incorrect by Company. If objection in writing is not received by Company within a reasonable period of time after bill is rendered (as determined by current law and regulatory policy), the account shall be deemed correct and binding upon the Customer.

2.4 Interruption of Service

2.4.1 Credit allowance for the interruption of service which is not due to the Company's testing or adjusting, negligence of the Customer, or to the failure of channels or equipment provided by the Customer, are subject to the general liability provisions set forth in 2.4.5 herein. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission by the Customer within his control, or is not in wiring or equipment, if any, furnished by the Customer and connected to the Company's facilities.

2.4.2 For purposes of credit computation, every month shall be considered to have 720 hours.

2.4.3 No credit shall be allowed for an interruption of a continuous duration of less than two hours.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 2 - RULES AND REGULATIONS

2.4 Interruption of Service (cont'd.)

- 2.4.4 The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

Credit Formula:

$$\text{Credit} = \frac{A \times B}{720}$$

"A" - outage time in hours

"B" - total monthly charge for affected facility

2.4.5 Liabilities of The Company

- 2.4.5.1 ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in the transmission occurring in the course of furnishing service or facilities, and not caused by the negligence of its employees or its agents, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the aforementioned faults in transmission occur.

- 2.4.5.2 ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. shall be indemnified and held harmless by the Customer against:

- (A) Claims for libel, slander, or infringement of copyright arising out of the material, data, information, or other content transmitted over the Company's facilities.

Issued: JULY, 1997

SECTION 2 - RULES AND REGULATIONS

2.4 Interruption of Service (cont'd.)

2.4.5 Liabilities of The Company (cont'd.)

2.4.5.2 (Cont'd.)

- (B) All other claims arising out of any act or omission of the Customer in connection with any service or facility provided by ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.

- (C) The Company shall not be liable for any claim or loss, expense, or damage (including indirect, special or consequential damage), for any interruption delay, error, omission, or other defect in any service facility, or transmission provided under this tariff, if caused by any person or entity within or outside of the Company, by any malfunction of any service or facility provided by any other carrier, by any act of God, fire, war, civil disturbance, hurricane, weather, or act of government, or by any other cause beyond the Company's direct or indirect control.

2.5 Restoration of Service

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission.

2.6 Minimum Service Period

The minimum service period is one month (30 days).

SECTION 2 - RULES AND REGULATIONS

2.7 Cancellation by Customer

Service may be cancelled by the Subscriber or Customer on not less than 30 days prior written notice to the Company.

2.8 Refusal or Discontinuance by Company

ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (ECS) may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer shall be given 15 days notice to comply with any rule or remedy any deficiency:

- (a) For non-compliance with or violation of any State, municipal, or Federal law, ordinance or regulation pertaining to telephone service.
- (b) For use of telephone service for any purpose other than that described in the application.
- (c) For neglect or refusal to provide reasonable access to ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (ECS) or its agents for the purpose of inspection and maintenance of equipment owned by ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (ECS) or its agents.
- (d) For noncompliance with or violation of Commission regulation or ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s (ECS) rules and regulations on file with the Commission, provided five (5) working days written notice is given before termination.
- (e) Without written notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s (ECS) equipment or service to others.

SECTION 2 - RULES AND REGULATIONS

2.8 Refusal or Discontinuance by Company (cont'd.)

- (f) Without notice in the event of tampering with the equipment or services owned by ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (ECS) or its agents.
- (g) Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (ECS) may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.
- (h) Without notice by reason of any order or decision of a court or other government authority having jurisdiction which prohibits Company from furnishing such services.
- (i) For periods of inactivity over sixty (60) days.

2.9 Special Conditions Governing Operator Services

Each Customer subscribing to ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s operator services (see section 3.5.1) must disclose the following information to transient End Users by displaying the following information supplied on stickers or tent cards provided by the Company:

SECTION 2 - RULES AND REGULATIONS

2.10 Use of Service

Service may be used for any lawful purpose for which it is technically suited.

2.11 Terminal Equipment

Company's facilities and service may be used with or terminated in Customer-provided or Subscriber-provided terminal equipment or systems, such as PBX's, key systems, multiplexers, repeaters, signaling sets, teleprinters, handsets, or data sets. Such terminal equipment shall be furnished and maintained at the expense of the Customer or Subscriber, except as otherwise provided. Subscriber or Customer is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of Company's service.

2.12 Applicable Law

This tariff shall be subject to and construed in accordance with Florida law.

2.13 Cost of Collection and Repair

Customer is responsible for any and all costs incurred in the collection of monies due the Company including legal and accounting expenses. The Customer or the Subscriber is also responsible for recovery costs of Company-provided equipment and any expenses required for repair or replacement of damaged equipment.

Issued: JULY, 1997

Effective: _____

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 2 - RULES AND REGULATIONS

2.14 Tests, Pilots, Promotional Campaigns and Contests

The Company may conduct special tests or pilot programs and promotions at its discretion to demonstrate the ease of use, quality of service and to promote the sale of its services. The Company may also waive a portion or all processing fees or installation fees for winner of contests and other occasional promotional events sponsored or endorsed by the Company. From time to time, the Company may waive all processing fees for a Customer.

These promotions will be approved in advance by the FPSC with specific starting and ending dates with promotions running under no circumstances longer than 90 days in any twelve month period.

2.15 Other Rules

2.15.1 The Company reserves the right to refuse to process Credit Card or Calling Card billed calls when authorization for use is denied or cannot be validated.

2.15.2 The Company reserves the right to discontinue service, limit service, or to impose requirements on Subscribers or Customers as required to meet changing regulations, rules or standards of the FPSC.

2.15.3 So long as Florida Rules require, and the capability exists, IntraLATA "0+" calls and all "0-" (zero minus) calls will be routed to the local exchange carrier. Where the capability exists, the local exchange carrier will route 0- interLATA calls to the presubscribed carrier of the access line. In all other cases, the local carrier will route 0- interLATA calls as determined by applicable state and federal laws.

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 2 - RULES AND REGULATIONS

2.15 Other Rules (Cont'd.)

2.15.4 (Cont'd.)

Calls handled and billed by ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. will be audibly and distinctly branded "Enhanced Cellular Systems Network" at the beginning and end of the operator treatment portion of the call and prior to the commencement of billing. Callers may disconnect from the call after the brand and prior to connection without incurring any call charges.

2.15.5 Calls originated via wireless public phones or wireless convenience phones may not have the ability to be transferred to the carrier of choice if the cellular airtime provider does not offer equal access service, or if the carrier of choice has no point of presence for interconnection.

2.15.6 Calls originated via mobile telephones will have the cellular airtime billed in addition to the landline termination and any operator or credit card surcharges as reflected in Section 2, 2.9.2.

2.15.7 Calls originated via mobile telephones will have an additional minute of airtime billed at the start of all completed calls as the cellular airtime provider starts their billing timing at the access to system, rather than at the time of receipt of answer supervision. Therefore, all one minute landline termination calls will reflect two minutes of wireless airtime, and all two minute landline termination calls will reflect three minutes of wireless airtime.

2.15.8 Calls originated via a mobile telephone to a 10XXX, 950 or 800 destination will be connected upon payment from a Company approved credit device for the cost of the wireless airtime only.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 2 - RULES AND REGULATIONS

2.15 Other Rules (Cont'd.)

2.15.6

Calls originated via mobile telephones will have the cellular airtime billed in addition to the landline termination and any operator or credit card surcharges as reflected in Section 2, 2.9.2

2.15.7

Calls originated via mobile telephones will have an additional minute of airtime billed at the start of all completed calls as the cellular airtime provider starts their billing timing at the access to system, rather than at time of receipt of answer supervision. Therefore all one minute landline termination calls will reflect two minutes of wireless airtime, and all two minute landline termination calls will reflect three minutes of wireless airtime.

2.15.8

Calls originated via a mobile telephone to a 10XXX, 950 or 800 destination will be connected upon payment from a Company approved credit device for the cost of the wireless airtime only.

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Timing of Calls

The Customer's long distance usage charge is based on the actual usage of ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'s network. Usage begins when the called party picks up the receiver. When the called party picks up is determined by hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. When software answer supervision is employed, up to 60 seconds of ringing is allowed before it is billed as usage of the network. A call is terminated when either party hangs up. All calls are billed in full minute increments unless otherwise specified in this tariff.

- 3.1.1 Collect calls - Timing begins when the called party accepts the responsibility for payment.
- 3.1.2 Person-to-Person calls - Chargeable time begins when a connection is established between the caller and the designated party, station or extension, or an acceptable alternate so that two-way communications is possible.
- 3.1.3 All other calls - Chargeable time begins when the connection is established between the calling station and the called station, as determined by hardware answer detection, tone detection, or other industry-standard answer supervision technique that yields a degree of accuracy greater than 90%.
- 3.1.4 Minimum call duration for billing purposes is one minute unless otherwise specified in the rate schedule section of this tariff.
- 3.1.5 Calls are measured and billed in one minute increments unless otherwise indicated in the individual rate schedule section of this tariff.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Timing of Calls (Cont'd.)

- 3.1.6 There is no billing applied for incomplete calls.
- 3.1.7 When a call is established in one rate period and ends in another rate period, the rate in effect at the calling station applies to the portion of the call occurring within that rate period. When a unit of time is split between two rate periods, the rate applicable to that unit of time is based on the rate period in which it began.
- 3.1.8 Calls originated via mobile telephones will have the cellular airtime billed in addition to the landline termination and any operator or credit card surcharges as reflected in Section 2, 2.9.2
- 3.1.9 Calls originated via mobile telephones will have an additional minute of airtime billed at the start of all completed calls as the cellular airtime provider starts their billing timing at the access to system rather than at time of receipt of answer supervision. Therefore, all one minute landline termination calls will reflect two minutes of wireless airtime, and all two minute landline termination calls will reflect three minutes of wireless airtime.

ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.2 Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in their NPA-NXX V & H Coordinates Tape and Bell's NECA Tariff No. 4.

FORMULA:

$$V \sqrt{\frac{(V1 - V2)^2 + (H1 - H2)^2}{10}}$$

(Contains material that originally appeared on Original Sheet 36)

Issued: APRIL, 1997

Effective: _____

Issued by:

Keith Talbot, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 SW 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.2 Calculation of Distance (Cont.)

EXAMPLE: Distance between Miami and New York City -

	<u>Y</u>	<u>H</u>
Miami	8,351	529
New York	<u>4,997</u>	<u>1,406</u>
Difference	3,354	- 879

Square and add: $11,249,316 + 772,641 = 12,021,196$

Divide by 10 and round up: $12,021,597 + 10 = 1,202,195.70$
 $= 1,202,196$

Take square root and round up: $1,202,196 = 1,096.4$
 $= 1,097$ miles

3.3 Minimum Call Completion Rate

A Customer can expect a call completion rate, exclusive of busy or no answer (number of calls completed + number of calls attempted), of not less than 90% during peak use periods for all services ("1+" dialing).

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 S.W. 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.4 Applicable Rate Periods

Unless otherwise indicated elsewhere in this Tariff, all usage-based rates in Section 4.0 are subject to the following time-of-day, day-of-week, and holiday rate periods:

- 3.4.1 Day Rate Period - Applies to that portion of a call occurring from 8:00 AM to, but not including, 5:00 PM Monday through Friday.
- 3.4.2 Evening Rate Period - Applies to that portion of a call occurring from 5:00 PM to, but not including, 11:00 PM Sunday through Friday.
- 3.4.3 Night/Weekend Rate Period - Applies to that portion of a call occurring from 11:00 PM to, but not including 8:00 AM all days, all day Saturday, and Sunday to, but not including 5:00 PM.
- 3.4.4 Holiday Rates - Apply to that portion of a call occurring on Company acknowledged Holidays. The rate is equivalent to the Evening Rate unless a lower rate would normally apply. Holiday rates apply on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings

3.5.1 ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.

Operator services may be provided on calls requiring special billing arrangements or other operator call completion assistance. Three classes of operator service calls are offered:

- 1) Customer dialed Calling/Credit Card Calls
- 2) Operator Station and
- 3) Person-to-Person.

Usage charges apply to all operator service calls. Additionally, appropriate service charges are billed on a per call basis. The greater applicable one of the following charges applies to each operator service call:

(A) Customer Dialed Calling/Credit Card Charge

This charge applies in addition to the normal long distance usage charges for calls placed utilizing an authorized credit card or telephone calling card. The Customer must dial all of the digits required to route and bill the call where the capability exists for the Customer to do so. Where touch tone calling is not available or where the equipment will not accept commercial credit card digits, this charge will apply to calls billed to an authorized credit card or telephone calling card with operator assistance to input the card digits, except for calls placed on a Person-to-Person basis.

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 S.W. 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings (Cont'd.)

3.5.1 ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (Cont'd.)

(B) Operator Station Charge

This charge applies to calls placed with operator assistance where automated calling is available, to all collect calls, and to third party billed calls. Automated collect calls require the called party to accept charges for the call by positively responding to the system.

(C) Person-to-Person

This charge applies to calls placed to a particular party at the destination number. Charges do not apply unless the specified party or an acceptable substitute is available. Calls may be billed to a third number, credit/calling card, or the called party.

3.5.2 Directory Assistance

Long Distance Directory Assistance is available to all ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. (ECS) Customers for the purpose of obtaining telephone numbers. Charges for Directory Assistance are not applicable to inquiries received for the use of handicapped persons. Such persons must contact the Company for credit on Directory Assistance calls.

13015 S.W. 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings (Cont'd.)

3.5.3 Dial 1 MTS Service

- A) Dial 1 MTS Service is a one way dial in - dial out, multipoint telecommunications service allowing the Customer to originate calls through Carrier provided access lines. Access to the Carrier may differ depending upon the type exchange access service provided by the local exchange telephone company to the Carrier.
- B) This service may only be reached via presubscription to the service by the Customer.
- C) The Customer must dial a 1-800 or pre-assigned seven digit number to reach the Company. When the Company is reached, a seven to ten digit account number must be entered and in good standing to receive service.

3.5.4 Dial 1 Coin Line Service

- A) Dial 1 Coin Line Service is a switched (WATS) Wide Area Termination Service available to wireless public phone customers for call originations and terminations within the state of Florida.
- B) The Coin Service shall send a predetermined tone back to the wireless public phone where the switch detects hardware answer supervision. This tone shall activate the escrow hopper relay to take the initial coin deposit when answer supervision is detected.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 S.W. 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings (Cont'd.)

3.5.4 Dial 1 Coin Line Service (Cont'd.)

- C) The wireless public phone can also use this coin service to control the deposit of additional coins required for overtime periods, or initial time periods of toll calls by sending DTMF tones as each coin enters the coin mechanism based upon values in \$.05 increments. The switch will detect the tones and translate their value to correspond with the amount required to route the call to its destination. When the proper amount has been counted, the switch will send a tone to the wireless public phone to energize the escrow relay, accept the coins and complete the call, or continue the call.

3.5.5 Prepay Network Service

This service allows an End Customer to purchase a block of time on the ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. network to a location within the state of Florida from a particular location.

This service can be accessed by inserting and removing a ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.'S appropriately encoded card which contains the value of the block of time purchased, as well as a serial number (transaction number) which corresponds to the purchase, into an appropriate card reader attached to a wireless public phone pre-subscribed to the ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. interexchange service.

Issued: JULY, 1997

Effective: _____

Issued by:

Michael Beards, President
ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC.
13015 S.W. 89th Place, Suite 211
Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings (Cont'd.)

3.5.5 Prepay Network Service (Cont'd.)

The public phone will automatically access the data base and find the value of time left on the card.

When a call is completed to a destination and answer supervision is received, the value of time left in the database is then decremented in blocks of one minute each time an additional minute of service is used.

If a prepay card is lost or stolen, the serial number can be blocked and a new card issued for the remaining value so that no value is ever lost.

3.5.6 Prepaid Card Service

This service allows an End Customer to purchase a block of time on the ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. network to a location within the state of Florida from a particular location.

This service can be accessed by inserting and removing an ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. magnetically encoded card which contains the value of the block of time purchased, as well as a serial number (transaction number) which corresponds to the purchase, into a magnetic card reader attached to a wireless public phone pre-subscribed to the ECS ENHANCED CELLULAR SYSTEMS NETWORK USA, INC. interexchange service.

The public phone will automatically access the data base and find the value of time left on the card.

Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings (Cont'd.)

3.5.6 Prepaid Card Service (Cont'd.)

When a call is completed to a destination and answer supervision is received, the value of time left in the database is then decremented in blocks of one minute each time an additional minute of service is used.

If a prepay card is lost or stolen, the serial number can be blocked and a new card issued for the remaining value so that no value is ever lost.

3.5.7 Convenience Wireless Phone Service

This service is specifically designed for an End Customer to use their calling or credit card to make toll calls within the state of Florida from a wireless convenience phone.

Wireless convenience telephones are designed to only complete operator handled calls or credit/calling card calls.

Miami, FL 33176

SECTION 3 - DESCRIPTION OF SERVICE

3.5 Service Offerings (Cont'd.)

3.5.8 Mobile Telephone Service

This service is specifically designed for use with a credit card activated or operator assisted call which originates from a hand held battery operated Mobile Telephone using the radio spectrum for origination and connection to the land line network, or a mobile telephone mounted in any form of transportation, to make toll calls within the State of Florida.

This service is designed to complete operator handled or credit/calling card style calls. This service includes the cost of the wireless airtime in the final customer billed amount in conjunction with the landline termination and operator service rates as referenced in Section 2., 2.9.2 and Section 4, 4.5.

The customer will be charged for one extra minute of airtime service over their landline duration due to the length of time required for call setup.

4.7.1 Discounts for Hearing Impaired Customers (cont'd.)

the night/weekend rate during the evening rate period. Discounts do not apply to surcharges or add on charges for operator service when the call is placed by a method that would normally incur the surcharge.

4.7.2 Operator Assistance for Handicapped Persons

Operator station surcharges will be waived for operator assistance provided to a caller who identifies him or herself as being handicapped and unable to dial the call because of a handicap.

4.7.3 Directory Assistance for Handicapped Persons

There is no charge for Directory Assistance for calls from handicapped persons. Such persons must contact the Company for credit on their directory assistance calls.

4.7.4 Florida Relay Service

A telephone toll message which is communicated by the Florida Relay Service is entitled to a 50% discount for all distance charges as well as all operator service charges.
