RE: DOCKET NO. 960576-WS - Application for amendment of Certificates Nos. 340-W and 297-S in Pasco County by Mad Hatter Utility, Inc.

Issue 1: Should the County's "Motion to Supplement the Record" be granted? Recommendation: No. Because no action has been requested, none is necessary. The Commission should not consider the County's filing when it rules on the merits of this case. If the County's filing is construed to be a motion to supplement the record, as suggested by the title of the filing, it should be denied.

APPROVED

Issue 2: Should this docket be closed? Recommendation: No. The docket should remain open in order for the Commission to rule upon MHU's amendment application.
