REGULATORY ASSESSMENT FEES OR CANCELING
INTEREXCHANGE TELECOMMUNICATION CERTIFICATE
AND DIRECTING CERTIFICATED INTEREXCHANGE
TELECOMMUNICATIONS PROVIDERS
TO DISCONTINUE SERVICE

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service
Commission that the action discussed herein is preliminary in
nature and will become final unless a person whose interests are
substantially affected files a petition for a formal proceeding,
pursuant to Rule 25-22.029, Florida Administrative Code.

Coastal Automated Communications Corp. (Coastal), an
interexchange telecommunications carrier (IXC), currently holds
Certificate of Public Convenience and Necessity number 3125, issued
by the Commission on October 30, 1992, authorizing the provision of
interexchange telecommunications service. Coastal has not paid the

regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. The regulatory assessment fee form was mailed to Coastal in December, 1996, for the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission for the period ending December 31, 1996. Coastal was notified of its delinquency on February 28, 1997. The company has been given adequate opportunity to pay. To date, the Commission's correspondence regarding the regulatory assessment fees has been returned by the post office, and Coastal has not paid the required fees.

The returned regulatory assessment fees notice also shows that Coastal has violated Rule 25-24.480(2)(a), Florida Administrative Code, by failing to report to us any address change within ten (10) days of its effectiveness. Our staff attempted to reach Coastal's contact person by telephone. These efforts were unsuccessful, thus providing evidence that the company has also violated Rule 25-24.480(2)(b), Florida Administrative Code, which requires any change in the name, title or telephone number of the individual responsible for Commission contact to be reported. It is of paramount importance that certificate holders remain diligent in furnishing the current information necessary to make contact with their representatives.

For the reasons described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel Coastal's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code. We also find it appropriate to cancel the company's certificate unless it pays a \$500 fine for failure to comply with Rule 25-24.480 (2), Florida Administrative Code, provides the information required by Rule 25-24.480 (2), Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges to the Florida Public Service Commission. The company must comply with these requirements within 5 business days from the date this Order becomes final. The fines will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, required information, and fines are received, this docket shall be closed. Should Coastal fail to comply with this Order within 5 business days from the date this Order becomes final, Coastal shall have its certificate canceled and the docket will be closed. The cancellation of a certificate and the closing of the docket in no way diminishes Coastal's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should Coastal's certificate be canceled, all certificated interexchange carriers in the State of Florida are instructed to discontinue service to Coastal, pursuant to Rule 25-24.4701(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited. Any certificated interexchange carriers providing service to Coastal must contact the Commission at the conclusion of the response period indicated herein in order to determine if Coastal's certificate has been canceled.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Coastal Automated Communications Corp. shall provide the correct mailing address, liaison information, and other information in accordance with Rule 25-24.480(2), Florida Administrative Code, and pay a \$500 fine to the Florida Public Service Commission for failure to comply with Rule 25-24.480 (2), Florida Administrative Code, within 5 business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that Coastal Automated Communications Corp. must pay the past due regulatory assessment fees, statutory penalties, interest charges, and a \$500 fine to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within 5 business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further
