Dear Ms. Bayo:

RE: Docket No. _____
Waiver of Rule 25-24.515(8), F.A.C.

Enclosed please find the original and 5 copies of our request for waiver of Rule 25-24.515(8), F.A.C. which we ask you file in the above captioned matter.

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

2264 Crippen Court
Melbourne, FL 32904

(407) 725-9581

Ms. Blanco S. Bayo

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

for Assistant Vice-President - Regulatory

I, the undersigned Chief of the law enforcement agency of the jurisdiction in which the above-referenced pay telephone is located, declare that to the best of my knowledge and belief, criminal activity is associated with and facilitated by incoming calls being received at the pay telephone number and location referenced above. It is my belief that allowing incoming calls to be blocked at this pay telephone will eliminate or help control that activity and attest to this fact by my signature below. I am aware that pursuant to Section 837.06, Florida Statutes whoever knowingly makes a false statement in writing with the intent to mislead a public-servant in the performance of his official duty shall be guilty of a misdemeanor of the second degree.

Dear Ms. Bayo:

RE: Docket No. _____
Waiver of Rule 25-24.515(8), F.A.C.

Enclosed please find the original and 5 copies of our request for waiver of Rule 25-24.515(8), F.A.C. which we ask you file in the above captioned matter.

We request that the pay telephones located at the addresses below be exempted from the provisions of Rule 25-24.515(8), Florida Administrative Code, which requires that all pay telephone stations must allow incoming calls to be received "with the exception of those located at penal institutions, hospitals and schools and at locations specifically exempted by the Commission." The locations and numbers of the public telephones are as follows:

2264 Crippen Court
Melbourne, FL 32904

(407) 725-9581

This waiver is being requested in accordance with the requirements of Florida State Statutes Section 120.542(2). Granting this waiver will not impede the continued provision of pay telephone service to the using public as intended by the underlying Statute (section 364.345).

In addition, as explained below, granting this waiver will lift the "substantial hardship" that the rule imposes on law enforcement, the location provider and the law abiding using public. The Police Department has requested that we submit this request for a waiver of the rule because of the use of the pay telephones at these locations for allegedly illegal activities. They believe the waiver will restrict the usefulness of the pay telephones for these individuals. This location does not fit within the delineated exceptions to the rule and therefore this request for waiver is appropriate. The location provider for the locations identified above has either joined in or agreed to this request for waiver which is attached.

Please advise by Order if our request for the waiver has been accepted.

Sincerely,

Paula Smith
for Assistant Vice-President - Regulatory
