RE: Tampa Electric Company's Request for Confidential Treatment of Document No. 06716-97, Late Filed Hearing Exhibit No. 5.

06717-97
(14)

Tampa Electric Company (TECO) asked that the highlighted portion of Document No. 06716-97, filed in Docket No. 970171-EU, be treated as confidential. The body of information requested to be confidential does meet the criteria in Rule 25-22.006(4)(c) and (d), Florida Administrative Code. The highlighted information is proprietary confidential business information that would impair TECO's and its affiliate's efforts to contract for goods and services on favorable terms. This information would also impair the competitive business of TECO Transport & Trade, who supplied the information. TECO requested that this information be returned at the conclusion of this proceeding.

Staff recommends that TECO's request for confidential treatment be approved, and at the conclusion of this docket, the material should be returned.

Reese, I have your memo recommending confidentiality of TECO's late-filed exh. 6. The correct document number for this confidential document is 06717-97 (you referenced 06716-97 in your memo, but that is the number assigned to TECO's request). I corrected the memo for the docket file.
