RE: Request for Extended Area Service

Dear Ms. Bayo:

Please accept this as a formal request for the Public Service Commission to create an Extended Area Service between the calling prefixes of southern Columbia County (497 and 454) and the Gainesville/Alachua County calling prefixes. A petition is being circulated by affected parties in Columbia County requesting this consideration. Also, a Resolution of the Board of County Commissioners will be forthcoming. Please feel free to call should I be of further assistance.

Sincerely,

for Frank Albury
County Commissioner
