RE: DOCKET NO. 970926-TI - Cancellation by Florida Public Service Commission of Interexchange Telecommunications Certificate No. 3570 issued to Long Distance Network Services, Inc. for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees.

Issue 1: Should the Commission impose a \$500 fine or cancel Long Distance's Interexchange Telecommunications Certificate No. 3570 for apparent violation of Rule 25-4.0161, Florida Administrative Code, Regulatory Assessment Fees?

Recommendation: Yes. The Commission should impose a \$500 fine or cancel the company's certificate if the fine and the regulatory assessment fees, including statutory penalties and interest, are not received by the Commission within 5 business days after the conclusion of the 21-day protest period. The fine should be paid to the Florida Public Service Commission and forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. If the Commission's order is not protested and the fine and the regulatory assessment fees, including statutory penalties and interest, are not received, Certificate Number 3570 should be canceled.

**MODIFIED** *Since company has paid RAFs and penalties and interest, the certificate will not be canceled. The \$500 fine will be levied, however.*
