Statutes. No comments were submitted during the comment period, which ended July 11, 1997.

Upon consideration, it appears appropriate to grant Peoples Telephone Company, Inc.'s requests. Peoples Telephone Company, Inc. has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, Peoples Telephone Company, Inc. has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for Peoples Telephone Company, Inc. as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, Peoples Telephone Company, Inc. must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Peoples Telephone Company, Inc.'s requests to block incoming calls at the pay telephones listed in the body of this Order are hereby approved. It is further

ORDERED that Peoples Telephone Company, Inc. shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that Peoples Telephone Company, Inc. shall display a notice on each pay telephone at which incoming calls are blocked stating, "Incoming calls blocked at the request of law enforcement." It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further
