NOTICE OF PROPOSED AGENCY ACTION ORDER  
APPROVING EXEMPTION FROM REQUIREMENT THAT  
EACH TELEPHONE STATION SHALL ALLOW INCOMING CALLS

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service  
Commission that the action discussed herein is preliminary in  
nature and will become final unless a person whose interests are  
substantially affected files a petition for a formal proceeding,  
pursuant to Rule 25-22.029, Florida Administrative Code.

Under Rule 25-24.515(8), Florida Administrative Code, pay  
telephones must allow incoming calls to be received unless they are  
located at a confinement facility, hospital, school, or another  
location specifically exempted by this Commission. Requests for an  
exemption from this requirement must be accompanied by an

attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

BellSouth Public Communications, Inc. has filed Requests for Exemption from the requirement that each telephone station shall allow incoming calls from each of the pay telephones listed below. Each of BellSouth Public Communications, Inc.'s request includes an attestation by BellSouth Public Communications, Inc., the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

The Request for Exemption for Docket No. 970669-TC was filed on June 5, 1997. The Notice of Request for Exemption was submitted to the Secretary of State for publication in the Florida Administrative Weekly pursuant to Section 120.542, Florida Statutes. No comments were submitted during the comment period, which ended July 11, 1997.

Upon consideration, it appears appropriate to grant BellSouth Public Communications, Inc.'s requests. BellSouth Public Communications, Inc. has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, BellSouth Public Communications, Inc. has demonstrated that the

enforcement of the incoming call requirement would result in substantial hardship for BellSouth Public Communications, Inc. as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, BellSouth Public Communications, Inc. must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Public Communications, Inc.'s requests to block incoming calls at the pay telephones listed in the body of this Order are hereby approved. It is further

ORDERED that BellSouth Public Communications, Inc. shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that BellSouth Public Communications, Inc. shall display a notice on each pay telephone at which incoming calls are blocked stating, "Incoming calls blocked at the request of law enforcement." It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 25-22.036, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, these Dockets shall be closed.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party substantially affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court.
