Section 364.337 (3), Florida Statutes, requires the following:

Also Section 364.01 (3) and (4) states that:

(3) The Legislature finds that the competitive provision of telecommunications service, including local exchange telecommunications service, is in the public interest.

and

(4)(d) The Commission shall exercise its exclusive jurisdiction in order to: (d) Promote competition by encouraging new entrants into telecommunications markets . . .

Regarding the showing of financial capability, the Finance staff has analyzed the unaudited financial statements of OnePoint Communications-Georgia, LLC (OCG) for the period ending December 31, 1996. An audit could change one's opinion of the company's financial condition. The applicant has requested confidential treatment of it's financial statements. Based on a review of the applicant's financial information, and for purposes of granting a certificate based on the financial information provided, the financial capability appears marginal.
