Re: Docket No. 921098-WS: Application for certificates to provide water and wastewater service in Alachua County under grandfather rights by Turkey Creek, Inc. and Family Diner, Inc. d/b/a Turkey Creek Utilities

Dear Mr. Hope:

As you are aware, the provisions of Order Nos. PSC-93-0229-FOF-WS and PSC-93-0816-FOF-WS, required Turkey Creek Utilities (Turkey Creek) to refund monies collected pursuant to the two unauthorized rate increases, including interest, and reduced certain charges including the public fire protection charge, the service availability charges and the late fee. In addition, the utility was ordered to refund accrued interest on the returned customer deposits.

To date, we have received refund reports for refunds, without interest, to 40 customers. However, we have not received a report since late May. This letter is to remind you that Turkey Creek is required to make a refund, including interest, to all customers who received water and wastewater service from Turkey Creek Utilities between June 30, 1992 and September 23, 1993. Therefore, by September 15, 1997, please provide me a schedule detailing the remaining customers and the amount of refunds owed to these customers. This schedule should also show the timetable for paying the refunds as well as how you intend to pay the interest.
