FPSC-RECORDS/REPORTING

Notice of Issue Identification Meeting
Docket No. 970512-EU
September 3, 1997

- ISSUE 6: Is each utility capable of providing adequate and reliable electric service to the disputed area?
- ISSUE 7: What is the location, purpose, type, and capacity of each utility's facilities existing as of the filing of the petition to resolve the territorial dispute?
- ISSUE 8: What additional facilities would each party have to construct in order to provide service to the disputed area?
- ISSUE 9: What would be the cost to each utility to provide electric service to the disputed area?
- ISSUE 10: How long would it take for each utility to provide service to the disputed area?
- ISSUE 11: What would be the cost to each utility if it were not permitted to serve the area in dispute?
- ISSUE 12: What would be the effect on each utility's ratepayers if it were not permitted to serve the disputed area?
- ISSUE 13: If all other factors are equal, what is the customer preference in the disputed area?
- ISSUE 14: Are the utilities bound by a territorial agreement?
- ISSUE 15: Which utility should be awarded the service area in dispute?

The Issue Identification Meeting will be informal in nature. Please call Todd Bohrmann at (850) 413-6445 if there are any questions concerning this meeting.

At the Issue Identification Meeting, Staff will discuss with the parties who the most appropriate deponents would be and set convenient times for their depositions.
