Re: Proposed amendments to Rule 25-17.015

Docket No. 961378-EG

Dear Mary Anne:

As we discussed this morning, the following amendment to proposed Rule 25-17.015(2) would allay the concerns that the Florida Public Utilities Company ("FPUC") raised in its letter dated August 7, 1997:

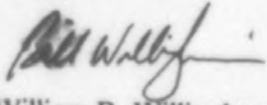

"Each utility shall also establish separate subaccounts from any revenues derived from specific customer charges associated with specific programs."

Moreover, FPUC would generally be agreeable with any similar language so long as the amended language specifies that the revenues at issue are limited to revenues derived from "customer charges."
