FPSC-RECORDS/REPORTING

PROPRIETARY

REQUEST: Name of facilities based ALECs offering business and residence service to Multi-Family Dwelling Units.

How these ALECs' are providing service over own facilities (how we know this).

RESPONSE:

12
13
16
Current MDU service: is providing facility-based service to approximately 25 customers in the in Plantation, FL (Southern Broward County) and is reportedly marketing to currently MDU properties which are under development in the Broward County area. and are marketing services to residences of MDU properties but will deliver on a resold basis.

This information has been obtained from discussions with BellSouth service technicians, property managers and developers, and FCTA Responses to BellSouth's 1st Interrogatories filed in this docket on August 19, 1997.
