Re: Tariff Reflecting Name Change and Revisions
to Operator Services Pursuant to Rule 25-24.485

Dear Mr. D'Haeseleer:

Please find enclosed for filing with the Commission, an original and four (4) copies of Interstate FiberNet, Inc.'s ("IFN, Inc.'s") original tariff. This tariff is being filed pursuant to Commission Order dated June 26, 1997, which approved the merging of Eastern Telecom, Inc. d/b/a InterQuest ("InterQuest") and Interstate FiberNet ("IFN").

The enclosed tariff is the result of merging the tariffs of the above entities, which are currently on file with the Commission. No substantial changes were made to the content of the current tariffs other than changes to InterCard Calling Card Service, which is now a flat-rated product with rates applicable to all times of day. In addition, changes were made to the rates and surcharges for Operator Services. These changes were made to comply with Commission Rule 25-24.485, which requires that rates and surcharges be capped at the AT&T rates currently on file with the Commission.

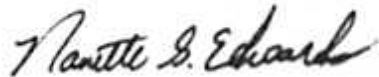

Please acknowledge receipt of this filing by returning the enclosed receipt copy of this cover letter in the self-addressed, stamped envelope I have provided for this purpose. In addition, please mail a stamped copy of the enclosed tariff to the address above and to my attention after it is accepted for filing with the Commission.
