RE: Docket No. 970657-WS - Application for amendment of Certificates Nos. 480-W and 416-S to add and delete territory in Charlotte and DeSoto Counties by Lake Suzy Utilities, Inc.

After staff's initial review of the utility's original application, staff determined that the utility's filing was incorrect and advised the utility of the appropriate filing. The utility has now refiled its application. Accordingly, Docket No. 970657-WS should be retitled as an "Application for Certificates to Operate a Water and Wastewater Utility in DeSoto and Charlotte Counties by Lake Suzy Utilities, Inc."
