Re: Docket No. 971092-WS

Dear Ms. Bayó:

Our office received a copy of Tahitian Gardens Condominium Association Inc.'s Motion for Extension of Time by facsimile on September 19, 1997, which indicated it had been filed with the Commission on that date. It has now come to our attention, however, that the filing was not made. We have therefore changed the dates on the motion which we are filing on behalf of Messrs. Liossis and Richardson.

Please indicate receipt of filing by date-stamping the attached copy of this letter and returning it to this office. Thank you for your assistance in this matter.

Sincerely,

John Roger Howe

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Complaint of Tahitian Gardens Condominium Association Inc. against Aloha Utilities, Inc. )  
Docket No. 971092-WS )  
Filed: September 24, 1997 )

MOTION FOR EXTENSION OF TIME

This request is for an extension of time to respond to Aloha Utilities, Inc.'s motion to dismiss our complaint. Since we are a committee concerning the Aloha Utilities, Inc. complaint, a quorum has to decide on a reply. Presently most of the members of the water committee are on vacation. We therefore request an extension until November 3, 1997, to allow sufficient time for our committee members to study, prepare and vote on our response.

We are not lawyers and need the additional time to study the Public Service Commission rules concerning our reply. Aloha Utilities, Inc. cannot be harmed in any way by this delay.

We have contacted Mr. Robert M.C. Rose of Rose, Sundstrom & Bentley, the firm representing Aloha Utilities, Inc., but he would not agree to an extension of time.

We thank the Commission for their consideration of our request
