DOCKET NO. 961184-EQ
FILED: September 29, 1997

ORLANDO COGEN LIMITED, L.P.'S REQUEST FOR PUBLIC RECORDS

Orlando CoGen Limited, L.P. ("OCL") hereby requests production of public records pursuant to Article I Section 24 of the Florida Constitution and Chapter 119 of the Florida Statutes.

OCL requests production of the following documents within ten (10) days of this Request at the offices of the staff of the Florida Public Service Commission or such other time and place as may be agreed upon by counsel:

1. All documents, data compilations, memoranda, analyses or other written or electronically stored information used or relied upon by Paul Stallcup in the preparation of his written testimony in this docket.

2. All workpapers, documents, data compilations, memoranda, analyses or other written or electronically stored information prepared by or for Paul Stallcup related to his testimony in this docket.

3. All documents, data compilations, memoranda, analyses or other written or electronically stored information used or relied upon by Kenneth Dudley or Paul Stallcup in support of or regarding the conclusion that the benefit of FPC's proposal that is the

subject of this proceeding appears to be noticeably sensitive to the assumptions used in its cost-effectiveness analysis.

4. All documents, data compilations, memoranda, analyses or other written or electronically stored information used or relied upon by Kenneth Dudley or Paul Stallcup in support of or regarding the conclusion that the proposal that is the subject of this proceeding caused an excessive level of risk being placed on FPC's ratepayers should FPC's projections of future conditions prove to be inaccurate.

5. All documents, data compilations, memoranda, analyses or other written or electronically stored information used or relied upon by Commission Staff in preparing its December 26, 1996 memorandum entitled "Staff Recommendation," including the "alternative recommendation" and "alternative staff analysis," in this docket.

DATED this 29 day of September, 1997.

Respectfully submitted,
