NOTICE OF PROPOSED AGENCY ACTION

BY THE COMMISSION:

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Future Telephone Communications, Inc. d/b/a FTC Long Distance, Inc. (FTC or the company), an interexchange telecommunications carrier (IXC), currently holds certificate of public convenience

FPSC-REGULATORY/REPORTING

and necessity number 4383, issued by the Commission on April 20, 1996, authorizing the provision of interexchange telecommunications service. FTC has not paid its 1996 regulatory assessment fee required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1996. The regulatory assessment fee form was mailed to FTC in December, 1996, for the period of January 1, 1996, through December 31, 1996. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. FTC was notified of its delinquency on February 28, 1997. The company has been given adequate opportunity to pay. To date, the Commission's correspondence regarding the regulatory assessment fees has been returned by the post office, and FTC has not paid the required fees.

The returned regulatory assessment fees notice also shows that FTC has violated Rule 25-24.480(2)(a), Florida Administrative Code, by failing to report to us any address change within ten (10) days of its effectiveness. Our staff attempted to reach FTC's contact person by telephone. These efforts were unsuccessful, thus providing evidence that the company has also violated Rule 25-24.480(2)(b), Florida Administrative Code, which requires any change in the name, title or telephone number of the individual responsible for Commission contact to be reported. It is of paramount importance that certificate holders remain diligent in furnishing the current information necessary to make contact with their representatives.

For the reasons described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel FTC's certificate, unless the company pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits the 1996 regulatory assessment fee, along with statutory penalties and interest charges, to the Florida Public Service Commission. We also find it appropriate to cancel the company's certificate unless it pays a \$500 fine for failure to comply with Rule 25-24.480 (2), Florida Administrative Code, provides the information required by Rule 25-24.480 (2), Florida Administrative Code. FTC must comply with these requirements within five business days from the date this Order becomes final. The fines will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fee, statutory penalties, interest charges, required information, and fines are received, this docket shall be closed. Should FTC fail to comply with this Order within five business days from the date this Order becomes final, FTC shall have its certificate canceled and the docket will be closed. The cancellation of Certificate Number 4383 and the closing of the docket in no way diminishes FTC's obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Should FTC's certificate be canceled, all certificated interexchange carriers in the State of Florida are instructed to discontinue service to FTC, pursuant to Rule 25-24.4701(3), Florida Administrative Code, Provision of Regulated Telecommunications Service to Uncertificated Resellers Prohibited. Any certificated interexchange carriers providing service to FTC must contact the Commission at the conclusion of the response period indicated herein to verify if FTC's certificate has been canceled.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Future Telephone Communications, Inc. d/b/a FTC Long Distance, Inc. shall provide the correct mailing address, liaison information, and other information in accordance with Rule 25-24.480(2), Florida Administrative Code, and pay a \$500 fine to the Florida Public Service Commission for failure to comply with Rule 25-24.480 (2), Florida Administrative Code, within 5 business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that Future Telephone Communications, Inc. d/b/a FTC Long Distance, Inc. must pay the past due regulatory assessment fees, statutory penalties, interest charges, and a \$500 fine to the Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within five business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further
