**RE:** Docket No. 970411-WS - Resolution 97-21 by Desoto County Commissioners rescinding Florida Public Service Commission Jurisdiction over Private Water and Wastewater Companies in Desoto County

Pursuant to Commission Order No. PSC-97-0603-FOF-WS, issued on May 27, 1997, the Commission voted to cancel the certificates held by regulated companies in Desoto County following that county's resolution to rescind Commission jurisdiction. Two utilities were affected: Kingsway Properties, Inc. (Kingsway) and Lake Suzy Utilities, Inc. (Lake Suzy). The Commission voted to immediately cancel Kingsway's wastewater certificate. However, because Lake Suzy had a pending rate proceeding in Docket No. 960799-WS, the Commission voted to delay canceling Lake Suzy's certificates until that case was concluded.

On July 3, 1997, the Commission issued a proposed agency action in Docket No. 960799-WS to correct an error in Lake Suzy's proposed tariff and complete all remaining measures in that docket. That decision became final on July 24, 1997, when the protest period expired, and Docket No. 960799-WS was closed.

Per Order No. PSC-97-0603-FOF-WS, Lake Suzy was ordered to return its certificates for cancellation within 30 days of the conclusion of Docket No. 960799-WS. Lake Suzy's certificates have been received. Thus, since all pending matters in Desoto County have been finalized, this docket should be closed.
