FPSC-RECORDS/REPORTING

GULF POWER COMPANY  
SUPPLEMENTAL SURVEILLANCE REPORT INFORMATION  
COMMERCIAL/INDUSTRIAL SERVICE RIDER  
AUGUST 1997

-CONFIDENTIAL-

The information listed below is presented to comply with FPSC Order No. PSC-96-1219-FOF-EI and Page 2 of 2 of the Commercial/Industrial Service Rider Pilot Study Implementation Plan. This supplemental information is to be treated as confidential.

For all executed CSAs, it is estimated that the twelve months to date net revenues that would have been produced by the application of Gulf Power's otherwise applicable standard tariff rates to the affected load would have been approximately \$547,000 \* more than the revenues actually received by Gulf Power pursuant to each executed CSA.

\* This difference is offset by \$61,000 which is the amount received under the IIC contract for the benefit created by the interruptible provision of the agreement with the customer.
