BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Request for review of
proposed numbering plan relief
for 305 area code.

) DOCKET NO. 971058-TL

) FILED: October 28, 1997

**BELLSOUTH TELECOMMUNICATIONS, INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION**

BellSouth Telecommunications, Inc. ("BellSouth" or "Company"), hereby files, pursuant to Rule 25-22.006, Florida Administrative Code, its Request For Confidential Classification, and states the following:

1. On October 13, 1997, the late-filed Hearing Exhibit Nos. 6 and 7 of Daniel M. Baeza were filed along with a Notice of Intent to Request Confidential Classification for the subject information on these late-filed Hearing Exhibits.

2. BellSouth is filing a Request for Confidential Classification for the subject information because late-filed Hearing Exhibit Nos. 6 and 7 contain confidential and proprietary business information.

3. BellSouth has appended to this Request for Confidential Classification as Attachment A a listing of the location of the information designated by BellSouth as confidential.

4. Appended hereto as Attachment B is one copy of the requested documents with the confidential information deleted.

5. Appended hereto as Attachment C is a sealed envelope containing one copy of the documents including the material which is confidential and

proprietary. Copies of Attachment C are not being served on the other parties in this proceeding.

6. The requested information contains competitively sensitive information that reflects specific areas of market growth. Public disclosure of this information would provide BellSouth's competitors with an unfair advantage. The market growth information is valuable to competitors and potential competitors in formulating plans for entry, marketing and overall business strategies. This same information on competitors is not available to BellSouth. This information is valuable, it is used by BellSouth in conducting its business and BellSouth strives to keep it secret. Therefore, such information should be classified as proprietary, confidential business information pursuant to Section 364.183(3)(e), Florida Statutes. Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

7. BellSouth has treated and intends to continue to treat the information for which confidential classification is sought as private, and this information has not been generally disclosed.

8. The original of this Notice has been filed with the Division of Records and Reporting, and a copy has been served on the Division requesting the information.

WHEREFORE, based on the foregoing, BellSouth moves the Commission to enter an order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted this 28h day of October, 1997.
