RE: Docket No. ~~95-105~~ ~~WS~~ Application of Rainbow Springs Utilities, L.C. for Transfer of Majority Organizational Control In Marion County to the Individual Shareholders of Chase Ventures, Inc.

Dear Mr. Deterding:

After reviewing the application in the above referenced docket, the staff has identified the following deficiencies. Please correct and/or provide additional information as requested.

1. The notice provided is incorrect. The first paragraph does not indicate the date the notice was given or the names of the entities that control is being transferred from and to. The notice should read as shown on the attached sample notice. Also, the description of the territory shown on the notice is not in agreement with Order No. 10846. The territory in the tariff must be consistent with Order No. 10846 and the description of the territory in the notice. Please revise to reflect the correct territory description. Due to these deficiencies, the proposed transfer must be renoticed in accordance with Section 367.071, Florida Statutes, and Rule 25-30.030, Florida Administrative Code. Enclosed is a list of entities to be noticed in addition to notice to the customers and publication in the newspaper.

Also, the staff requests additional clarification on the following point. The Special Warranty Deed executed on May 1995, appears to indicate that the transfer of this utility has taken place. If the transfer has taken place, please explain why the transfer was executed without the approval of the Florida Public Service Commission.
