RE: Docket No. 961321-WS -- Application for certificates to provide water and wastewater service by Point Water and Sewer, Inc., in Clay County.

Dear Doug:

This is in response to your letter dated October 24, 1997, for an extension through December 3, 1997, for Point Water and Sewer, Inc., to respond to the Commission staff's first set of interrogatories and first request for production of documents propounded on August 28, 1997. We are willing to accommodate this request, and will therefore expect to have your responses by December 4, 1997.

Please keep us updated on the status of the settlement negotiations with the Point Property Owners Association.

Sincerely,
Rosanne Gervasi
