

VOTE SHEET

NOVEMBER 4, 1997

RE: DOCKET NO. 970545-EG - Petition by Florida Power & Light Company for modification of Commercial/Industrial Heating, Ventilating and Air Conditioning Program.

Issue 1: Should the Commission approve Florida Power & Light Company's petition for approval to modify its Commercial/Industrial Heating, Ventilating and Air Conditioning program, including approval for cost recovery through the Energy Conservation Cost Recovery Clause?

Recommendation: Yes. However, because the C/I HVAC program is marginally cost-effective, FPL should reassess the cost-effectiveness of the program and report, in its true-up filing in Docket No. 980002-EG in November 1998, the resulting cost-effectiveness ratios using the most current assumptions at the time the analysis is performed. FPL should also report to staff the results of its planned 1997 evaluation of thermal energy storage, and its planned 1999 evaluation of chillers for the C/I HVAC program. FPL should, through its survey efforts, determine the extent to which participants were aware of gas alternatives, the extent they considered gas alternatives and, if applicable, what gas alternatives were available. FPL should also determine if participants were aware of a gas alternative, whether FPL's rebate caused in whole or in part the participant to remain an electric customer.

VOTE SHEET

NOVEMBER 4, 1997

DOCKET NO. 970545-EG - Petition by Florida Power & Light Company for modification of Commercial/Industrial Heating, Ventilating and Air Conditioning Program.

(Continued from previous page)

Issue 2: Should Florida Power & Light Company be required to submit detailed program participation standards?

Recommendation: Yes. Florida Power & Light Company should file program participation standards within 30 days of issuance of the order in this docket. These standards should be administratively approved.

APPROVED

Issue 3: Should this docket be closed?

Recommendation: Yes. If no person whose substantial interests are affected by the Commission's proposed agency action files a protest within 21 days of issuance of the order, this docket should be closed.
