Order PSC-97-1303-PCO-TP consolidated these 4 dockets. Linda, please print this e-mail and document-number it for entry in each of the dockets in CMS, and then forward it to Don/Brad so copies can be placed in each of the files. Any filings in any of the 4 dockets from today forward should be placed only in 960833 on CMS and in the docket file. (I have made necessary adjustments in CMS for those filings that came in between issuance of the order and today's date.) Let me know if you have any questions. Kay
