Re: St. Joe Communications, Inc. name change for regulated services

Dear Mr. Moses:

By means of this letter, St. Joe Communication, Inc. is requesting that the name on its certificate and the names on its tariffs be changed to St. Joe Communication, Inc. d/b/a GT Com Long Distance. St. Joe Communication, Inc. has effected a fictitious name registration with the Secretary of State to reflect this change. A copy of that registration is enclosed. It is the Company's understanding that such a name change can be handled on an administrative basis by the Staff. To facilitate that name change, I am enclosing labels with the Company's name and d/b/a for insertion on the tariff sheets.

I also want to inform you that St. Joe Communication, Inc. has registered several other fictitious names with the state for the provision of services that are not regulated by the Commission. However, all of St. Joe Communication, Inc.'s regulated interexchange services will be provided under the fictitious name GT Com Long Distance.

If you have any questions regarding this transmittal, please give me a call at 222-2300.

Very truly yours,
Charles A. Guyton
