Re: Mad Hatter Utility, Inc.; PSC Docket No. ~~961471-WS~~
Initiation of Show Cause and Limited Proceeding to Reduce
Wastewater Rates
Our File No. 28023.09

Dear Clay:

Attached are proposed tariffs and a customer notice drafted in order to implement the rate reduction agreed upon by the Public Service Commission and the Utility which is incorporated in Commission's Order No. PSC-97-1233-AS-WS. That order has recently become final.

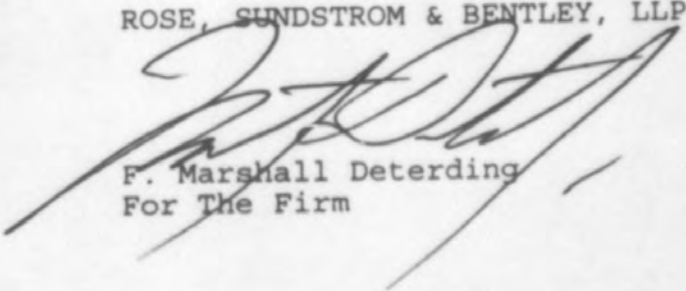

The Utility intends to distribute the notice in the very near future and, as such, would appreciate a quick review and approval of the proposed customer notice and tariffs.

Should you have any questions in this regard, please let me

know.

Sincerely,

ROSE, SUNDSTROM & BENTLEY, LLP

CUSTOMER NOTICE

Dear Customer:

During a rate case proceeding initiated by Mad Hatter Utility before the Florida Public Service Commission approximately five years ago, Mad Hatter was ordered to report and account for any sale of the land then owned by the Utility on which its wastewater treatment facilities had been sited. With the elimination of those treatment facilities and tie-in to the Pasco County wastewater treatment system, the Commission felt that the customers should receive the benefit of any sale of those properties. Under an agreement recently reached between the Public Service Commission and the Utility, Mad Hatter is now preparing to reduce rates in order to reflect the sale of those lands. The Commission has issued Order No. PSC-97-1233-AS-WS which calculates the agreed upon adjustment in rates. The actual across-the-board rate decrease for sewer service is 2.83% for Mad Hatter's Foxwood and Turtle Lakes systems. The present and proposed rates are reflected on the back of this letter notice.

These rates will go into effect on November 20, 1997, and will appear on your bills for all meter readings thirty days on or after that date.

Sincerely,

Mad Hatter Utility, Inc.
