AT&T'S PETITION TO INTERVENE

COMES NOW AT&T Communications of the Southern States, Inc. (hereinafter "AT&T") and, pursuant to Rule 25-22.039, Florida Administrative Code, files this Petition to Intervene with the Florida Public Service Commission (hereinafter the "Commission") in the above-referenced docket. AT&T respectfully requests that the Commission grant this petition, designating AT&T as a party of record and affording it all applicable rights under Florida law and the rules and regulations of this Commission. In support thereof, AT&T respectfully shows as follows:

1. Petitioner's full name and principal place of business are:

3. AT&T is a telecommunications company that has been duly certificated by the Commission as an interexchange company ("IXC") in Florida. As such, AT&T is subject to the rules, regulations and orders of the Commission, and such rules, regulations and orders impact AT&T's ability to provide intrastate interexchange telecommunications service.

4. The purpose of this docket is to determine whether and to what extent the Commission should impose restrictions on the manner in which ILECs and IXCs compete for intraLATA traffic. As an IXC, AT&T would be substantially affected by the Commission's ruling.

WHEREFORE, AT&T requests that it be permitted to intervene in this proceeding and that it be accorded full party status.
