Check DN 11694-97, in the above docket.
They requested to change the name from
Teligent, L.L.C. to Teligent, Inc.

I noticed on the agenda it is listed
Teligent, L.L.C still. My rec reflects
the late. Thanks, Your most humble
servant.

.....
You're right. 11694-97 should have
prompted us to change the name in CMS
to Teligent, Inc. I will ask Linda by
copy of this e-mail to fix CMS, and
advise Nonnye that she should correct
MCD. I will also copy Carol so she can
correct the agenda in 6.1 before the
vote sheets are created. Thanks for
pointing it out.
