RE: DOCKET NO. 970171-EU - Determination of appropriate cost allocation and regulatory treatment of total revenues associated with wholesale sales to Florida Municipal Power Agency and City of Lakeland by Tampa Electric Company.

Issue 1: Should the Commission grant OPC and FIPUG's and TECO's requests for oral argument?

Recommendation: No. OPC and FIPUG's request for oral argument is an attempt to reargue matters fully considered and decided by the Commission and is not necessary. Therefore, OPC and FIPUG's request should be denied. TECO's request is contingent on OPC and FIPUG's, and should therefore also be denied.
