DOCKET NO. 961321-WS  
 DATE SUBMITTED FOR FILING:  
 December 17, 1997

**AMENDED JOINT MOTION FOR CONTINUANCE**

Pursuant to Rule 1.460, Florida Rules of Civil Procedure, and Rule 25-22.037, Florida Administrative Code ("FAC"), Point Water and Sewer, Inc., ("PWS"), and The Point Property Owners Association, Inc., ("Association"), by and through the undersigned attorneys, hereby jointly move the Florida Public Service Commission ("Commission") to grant a continuance in this docket, and as grounds therefore, state as follows:

1. A hearing before the Commission on the application for an original certificate by PWS has been rescheduled from August 1, 1997 to a future unspecified date.

2. The dates for completing, conducting and filing the adverse depositions of Frank Kasper and Lori Easterling and filing the intervenor or Staff testimony in response thereto are December 15, 1997, and December 29, 1997, respectively.

3. The parties are pursuing a negotiated settlement which would address the concerns of the respective parties, including, but not limited to, the method and manner of future service.

4. The ongoing negotiations will not be completed prior to December 15, 1997. The parties believe that taking the depositions prior to formal negotiations are attempted would be cost ineffective and would not be conducive to facilitating a settlement.

5. Both PWS and the Association state that it is in the best interest of all concerned for the Commission to extend the deposition and responsive testimony deadlines pending the results of negotiations. There will be no prejudice to any party.

6. The requested continuance in the proceedings may result in the resolution of this matter and avoid a substantial expenditure of unnecessary time and expense for the Commission and the parties if they can resolve this matter amongst themselves.

7. The parties agree that the time to conduct and file the adverse depositions of Frank Kasper and Lori Easterling would be extended through and including February 15, 1998. The parties further agree that the date for filing intervenor or Staff testimony in response thereto be extended through and including March 1, 1998.

8. Wherefore, PWS and the ASSOCIATION move the Commission to extend the date for adverse depositions and the date for responsive testimony as set forth above.

Dated this 17th day of December, 1997.

Respectfully submitted,

COX & REYNOLDS
