RE: Docket No. 961321-WS -- Application for certificates to provide water and wastewater service by Point Water and Sewer, Inc. (PWS), in Clay County.

Dear Scott:

This is in response to your request for an extension of time for PPOA to respond to the Commission staff's first set of interrogatories and first request for production of documents propounded on August 28, 1997. Given given that settlement negotiations appear to be progressing well between the parties, we are willing to extend the due date for the filing of your responses to those discovery requests until February 5, 1998.

Sincerely,

Rosanne Gervasi
Staff Counsel
