Attn. Director of the Division of Records and Reporting
RE; Rainbow Springs Utilities L.C.

Notice of Application for extension of Service Area, dated
12,16,1997.

Dear Sir; As property owners and residents in the Woodlands
section of the Village of Rainbow Springs in Marion County.
we would like to voice our objection to the proposal of the
above mentioned notice received on or about December 22,1997
and the time element of same.

The 30 days for written objections gives little time to
respond, considering the holidays .

We therefore, respectfully request that the Florida Public
Service Commission delay any formal action on this matter
until the proerty owners of the Woodlands have time to
organize a plan to defaet the extension of service area as
proposed by Rainbowx Springs Utilities L.C.

We and other owners and residents of the Woodlands have
already spent thousands of dollars installing wells, and
purification systems when building our homes and some septic
systems are new and of a better efficiency than the usual,
this proposal would put a burden on each of us - most
retrired and fixed income. The company requesting this is not

necessarily one we would chose to be bound to for the rest
of our natural lives either.

Respectfully,

B.J. and Dorothy Oram
