pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have applied for certificates to provide interexchange telecommunications (IXC) service. Upon review of their applications, it appears that these entities have sufficient technical, financial, and managerial capability to provide such service, as required under Section 364.337(3), Florida Statutes. Accordingly, we hereby grant each of these entities the certificates depicted below, which shall authorize them individually to provide interexchange telecommunications services.
