Re: Notice of Application for Extension of Service Area  
by Rainbow Springs Utilities, L.C.

Good Morning:

Please be advised we reside in the area for which the  
above extension is being requested, and WE DO OBJECT to  
the approval of this extension of service.

Presently our home is serviced by a well and septic tank  
and that is why we chose to reside in this area. WE DO  
NOT want now or in the future to be serviced by a central  
water and sewer system; and therefore, are against the  
Extension of Service Area for Rainbow Springs Utilities,  
L.C.

Should you need additional input, please feel free to  
contact us at 352/489-6441.
