Dear Sir;

As a resident of Rainbow Springs
for the last ten years, this letter is to
formally advise you that we strongly
object to the Extension of Service, which
you described in your letter to us,
dated Dec 16, 1997.

We have been told by our Rainbow
Springs Property Owners Assoc, that
this does not apply or effect us. Our
Lot #1, Block #144, Unit 4th Replat.

We have our own well, at a con-
siderable cost to us, and was told that
was all that was necessary and legal.
We are quite happy with this arrange-
ment and with the quality of our
drinking water. We see no reason to
except any change.

Sincerely,

Mr. and Mrs. Wallace, R. Terrel
