Re: Rainbow Springs Utilities application for extension of service area.

As a property owner in Rainbow Springs, I would like to request an extension of time before you take any action on the application referenced.

We only received the notice in late December & simply need more time to review the matter.

To ease the review it would be helpful to have

ACK _____
APP _____
CAF _____
CMT _____
EAG _____
LEG _____
LIN _____
OPC _____
RCH _____
SEC _____
WAS _____
OTH _____
The legal descriptions of the affected sections written the normal descriptive text. E.g. in section 10, it says the East 1/2; the SW 1/4; and the SE 1/4 of the NE 1/4. If each descriptor is taken independently there is overlap - if this isn't the case there are some missing words e.g. "of".

We would appreciate your attention to this matter.

Respectfully,

Bob Wolbert
